Dear Ms. Spence:

The Individuals with Disabilities Education Act (IDEA), Title 34, Section 303.654 (a) (1), requires the following: "Each Council shall prepare an annual report to the Governor and to the Secretary on the status of early intervention programs operated within the State for children eligible under this part and their families."

In compliance with this requirement, the ICC has approved using California's Annual Performance Report in lieu of a separate report prepared by the ICC. Therefore, please be advised that the enclosed California Early Start Annual Performance Reports for the fiscal years of 2006-2007, 2007-2008, and 2008-2009 will serve as the Interagency Coordinating Council's past Annual Reports for these fiscal years as the time periods and information found therein are representative of the status of early intervention services in California.

If you should have any questions or concerns, please contact Jeannie Smalley, Early Start Section Chief at (916) 654-2767.

Sincerely,

THERESA ROSSINI
Vice Chair, Interagency Coordinating Council
