

**CONSULTANTS/PROFESSIONAL STAFF
ICF/DD-N
(ATTACHMENT #4)**

- The references in the gray area are the federal and state requirements for the qualifications and staff hours. Federal “W” Tags define the qualifications of each discipline. Required staff appear in **bold** type.
- Indicate the professional staff name in the appropriate area. Include the following for EACH professional staff listed as Attachment #11: a complete, updated resume and qualifying document (license, certification, diploma, etc).
- Title 22: The composition of the ID Team shall be of the numbers and disciplines appropriate to meet each client’s needs. The staff/team should be composed of the qualified intellectual disabilities professional, registered nurse and at least three persons from any of the following disciplines: Clinical Psychologist, Recreation Therapist, Occupational Therapist, Physical Therapist, Social Worker, Speech Therapist, Audiologist, Physician, Pharmacist, and Dietician.
