For the purpose of this section, an employee has a financial interest in regional center operations if it is reasonably foreseeable that the employee’s interest or the employee’s decision regarding that interest will have a material financial effect, as distinguished from its effect on the regional center’s clients and/or their families generally, on:

(A) Any business entity or provider in which the employee has a direct or indirect investment worth more than one thousand dollars ($1000).

(B) Any real property in which the employee has a direct or indirect interest worth more than one thousand dollars ($1000).

For purposes of this section, “indirect investment” or “interest” means any investment or interest owned by the spouse or dependent child of an employee, by an agent on behalf of an employee, or by a business entity or provider or trust in which the employee, the employee’s agent, spouse, or dependent children own directly, indirectly, or beneficially a ten percent interest or greater.

The financial effect is material if it will result in a benefit, detriment, gain, loss, or profit to the employee, entity, or provider.

(2) A conflict of interest exists when a regional center employee devotes less than his or her full-time attention and effort to his or her regional center employment for that period for which he or she is being reimbursed.

(3) A conflict of interest exists when a regional center employee provides services for salary, honorarium, or compensation of any kind in such fashion that
the employee is receiving dual compensation for the same period of time. This subsection does not apply to regional center employees while officially off-duty.

(a) A regional center governing board member or regional center executive director shall not make, participate in making or in any way attempt to use his or her position to influence a regional center or board decision, in which he or she knows or has reason to know that he or she or a family member has a financial interest.

Employees shall file their statements with their respective regional center and governing board members shall file their statements with their regional center governing board. Subsequent statements shall be filed thereafter whenever a change in status would create a present or potential conflict of interest situation as defined in these regulations. Individuals serving in any capacity under a waiver granted pursuant to Section 54523 of these regulations shall be required to file a conflict of interest statement with each waiver renewal as required pursuant to Section 54524(b)(3) of these regulations. The regional center and governing board shall designate the individual who is responsible for receiving, processing, and maintaining the initial and subsequent annual statements for their own respective agency. Such individual, however, may not review his or her own filed statement. The initial conflict of interest statement and all subsequent annual statements shall be dated, signed, and contain a declaration, under penalty of perjury, that the governing board member or employee has:

(1) No present or potential conflict of interest;

(2) A present conflict of interest; or

(3) A potential conflict of interest pursuant to these regulations.

The individual shall specify the factual basis for that determination and provide full and complete disclosure relative to any present or potential conflict of interest, including a description of the nature of the conflict of interest. For the board member designated by the regional center provider advisory committee pursuant to Welfare and Institutions Code, Section 4622(a)(7), the disclosure shall
include, to the extent not otherwise disclosed, a list of the member's financial interest as required by Welfare and Institutions Code, Section 4622(a)(9)(C).

(b) If a present or potential conflict of interest exists, the statements of regional center employees and governing board members, including the board member designated by the regional center provider advisory committee pursuant to Welfare and Institutions Code, Section 4622(a)(7), shall, if desired by the governing board member or regional center employee, also contain a request for waiver of the prohibitions of any present or potential conflict of interest, and a suggested plan of action for resolution of the present or potential conflict of interest, including limitations on the governing board member or regional center employee which will enable him or her to avoid actions involving the conflict of interest during the period the waiver request is being reviewed pursuant to Section 54523 of these regulations.

(c) The regional center or regional center governing board shall review, respectively, the waiver requests of all regional center employees and governing board members, and determine, in its discretion, whether to submit the request pursuant to the regulations, or require the individual to eliminate the conflict of interest or resign his or her position as stated therein.

(d) If a present or potential conflict of interest exists and no waiver is requested, or if the regional center or regional center governing board elects not to submit such a request in accordance with these regulations, the regional center employee or governing board member, and the board member designated by the regional center provider advisory committee pursuant to Welfare and Institutions Code, Section 4622(a)(7), shall have thirty (30) calendar days from the date of filing the conflict of interest statement or the date of notification by the regional center or its governing board in which to either take whatever action is necessary to eliminate the conflict of interest, or resign his or her position as a regional center employee or governing board member. During the thirty (30) calendar day period, the employee or board member shall avoid all involvement with or participation in regional center activities involving the conflict of interest in question.

(e) If no conflict of interest is declared at the time of filing the initial statement or subsequent statements, no further action is required by the governing board member or regional center employee unless or until such time as that individual's status changes, so that he or she is in a present or potential conflict of interest situation. Upon such a change in status, a new statement shall be filed immediately with the member's governing board or the employee's regional center, specifying the factual basis for that determination and providing full and complete disclosure relative to the present or potential conflict of interest in accordance with provisions of subsection (a) above.
§ 54523. Requests for Waiver—Financial Interests in Contracts Creating a Conflict of Interest For Regional Center Governing Board Members and Executive Directors.

(a) The purpose of this section is to make certain that regional center governing board members and executive directors are guided solely by the interests of the regional center and its consumers and not by their personal financial interests when participating in the making of contracts in their official capacity.

(b) Regional center governing board members and regional center executive directors shall not be financially interested in any contract in which they participate in making in their official capacity.

(1) Financially interested, for purposes of this section, means any financial interest regardless of the dollar amount, and includes aiming to achieve a financial gain or avoid a financial loss. The financial interest may be direct or indirect and includes any monetary or proprietary benefit, gain of any sort, or the contingent possibility of monetary or proprietary benefits and extends to expectations of economic benefit. Certainty of financial gain is not necessary to create a conflict of interest.

(A) The financial interest is direct when the individual, in his or her official capacity, does business with himself or herself in his or her private capacity.

(B) The financial interest is indirect if a regional center board member or executive director enters into a contract in his or her official capacity with an individual or entity, and because of the relationship between the individual or entity to the board member or executive director, the individual or entity is in a position to render actual or potential pecuniary benefits to the board member or executive director based on that contract.

(2) Participation in the making of a contract includes any act involving preliminary discussions, development, negotiations, compromises, reasoning, planning, drawing of plans and specifications, solicitation for bids, approval and execution.

(c) If a regional center governing board member, executive director, or his or her family member, has a financial interest in a potential contract that creates a present or potential conflict of interest prior to the first consideration of the potential contract, the regional center board member or executive director shall do all of the following prior to the first consideration of the potential contract:
(1) fully disclose the existence and nature of the conflicting financial interest to the regional center board;

(2) have it noted in the official board records;

(3) recuse himself or herself from making, participating in making, or in any way attempting to use his or her position to influence a decision on the matter;

(4) leave the room during any discussion or deliberations of the matter and shall not return until disposition of the matter is concluded; and

(5) shall not cast his or her vote upon any matter or contract concerning the financial interest or be counted for purposes of a quorum.

(d) Subdivision (c) does not apply if a board member, who is a regional center consumer, has a financial interest in a contract that will provide him or her with a financial benefit, if that benefit will be available to any regional center consumer.

(e) Regional center governing board members and executive directors shall not make any contract which is financially beneficial to a family member of such person, unless the benefits associated with the contract are available to regional center consumers or their families generally. When benefits associated with the contract are available to regional center consumer or their families generally, subdivision (c) does not apply.

(f) The regional center board may not avoid a conflicting financial interest in a contract by delegating its decision-making authority to another individual or body.

(a) If the conflict of interest statement filed by the regional center governing board member or the regional center employee indicates that a present or potential conflict of interest exists and a waiver is being requested, then within thirty (30) calendar days of receipt of such a statement, the governing board or regional center shall, unless it has elected to do otherwise pursuant to Section 54522(c), submit the request for waiver packet in accordance with the procedures set forth in this section.

(b) All requests for waiver packets must be submitted to the Department. In addition, copies of requests for waiver packets involving governing board members must also be sent to the area board in the area and to the State Council.
(e) Requests for waiver packets shall include:

(1) A copy of the board member's or employee's conflict of interest statements;

(2) The request for waiver;

(3) The plan of action for resolution of his or her conflict of interest and the time frames for doing so; and

(4) Any limitations proposed by the governing board or regional center to be applied to the board member or employee during the term of the waiver. Limitations may include, but are not limited to:

(A) Abstention by the person from voting on the conflict of interest situations;

(B) Nonparticipation by the person, individually or as part of a group, in the preparation, presentation, formulation or approval of reports, plans, policies, analyses, opinions or recommendations regarding the conflict of interest situation, when the exercise of judgement is required and the purpose is to influence the decision;

(C) Noninvolvement of the person in the negotiation, obligation, or commitment of the regional center to a course of action involving the conflict of interest situation;

(D) Reassignment of the person to duties or responsibilities where no conflict of interest exists; and

(E) Establishment of an independent review and prior approval procedure by supervisors or administrative staff regarding purchase of service and other decisions made by the person with respect to the conflict of interest situation.

(5) The individual(s) responsible for ensuring that the above plan of action or limitations are applied and monitored;

(6) Any other information which the employee or board member feels is pertinent to his or her request.

§ 54524. Response to Requests for Waiver--General Prohibition of Conflicts of Interest for Regional Center Governing Board Members and Executive Directors.

(a) In addition to the specific conflict-of-interest requirements and restrictions set forth above, regional center governing board members and executive directors are obligated to discharge their responsibilities with integrity and fidelity, and are prohibited from placing themselves in a position where their private, personal interests may conflict with their official duties.

(b) Governing board members and executive directors are impliedly bound to exercise the powers conferred on them with disinterested skill, zeal and diligence and for the benefit of the regional center and the consumers.

(c) If a situation arises that has not been specifically addressed in these regulations, where a governing board member, executive director or his or her family member’s personal or pecuniary interest conflicts with the individual’s duty to act in the best interest of the regional center or the consumers, the governing board member or executive director is disqualified from taking any part in the discussion or from making any recommendation or decision regarding the transaction or decision.

(d) In interpreting and applying this section, the common law doctrine against conflict of interest and the authorities interpreting that doctrine shall govern.

(a) Within twenty (20) calendar days after the area board in the area and the State Council receive copies of a request for waiver packet regarding a regional center governing board member, the area board in the area and the State Council, respectively, shall provide to the Department their written approval or disapproval of such request. The Department may not approve the request for waiver of a regional center governing board member without the approval of both the area board in the area and the State Council.

(b) Within sixty (60) calendar days after the Department receives a request for waiver packet the Department will respond to the request for waiver in writing:

(1) Explaining the outcome of its review including approval or denial of the request, where appropriate, and the rationale for the decision;

(2) Specifying the actions, if any, by the governing board or regional center which the Department deems necessary in order to resolve the conflict of interest; and
(3) Stating the duration of the waiver, if approved, according to the following:

(A) For the members of the governing boards who are subject to those regulations, the duration of the waiver may not exceed one year;

(B) For the regional center employee, the duration of the waiver will be determined by the Department.

(c) If the request for waiver is denied by the Department and/or the State Council or area board in the area pursuant to subsections (a) and (b) herein, the governing board member or regional center employee shall have thirty (30) calendar days from the date of receipt of the denial in which to either take whatever action is necessary to eliminate the conflict of interest or resign his or her position as a governing board member or regional center employee. During this thirty (30) calendar day period, the board member or employee shall avoid all involvement with and participation in the conflict of interest in question.

(b) No regional center governing board member or executive director who has a conflict of interest shall continue to serve as a board member or executive director in violation of these provisions, unless the individual has eliminated the conflict of interest or obtained an approved Conflict Resolution Plan. This subdivision does not apply to the extent it is permitted by Welfare and Institutions Code, sections 4622 and 4626.

(a) If the Department finds a governing board, a board member, a regional center or a center employee, in violation of any of the sections set forth in this Article, the Department shall:
(1) Immediately inform the party or parties in writing of such violation, including the supporting facts or information upon which determination of violation was made; and

(2) Require that the party or parties take appropriate action, within thirty (30) calendar days of the notice of violation, to resolve the conflict of interest or otherwise eliminate the violation. The Department may extend this thirty-day period only once and for a period not to exceed thirty (30) calendar days.

(b) If the violation is not resolved or eliminated within the thirty (30) calendar days as herein provided, and no extension of time has been granted by the Department, the Department may take immediate action to:

§ 54528. Board Meetings. Financial Interests in Contracts Creating a Conflict of Interest For Regional Center Employees, Contractors, Agents and Consultants.

(a) The purpose of this section is to make certain that regional center employees, contractors, agents and consultants are guided solely by the interests of the regional center and the consumers and not by their personal interests, when participating in the making of contracts in their official capacity.

(b) Regional center employees, contractors, agents and consultants shall not be financially interested in any contract in which they participate in making in their official capacity.

(1) Financially interested, for purposes of this section, means any financial interest regardless of the dollar amount, and includes aiming to achieve a financial gain or avoid a financial loss. The financial interest may be direct or indirect and includes any monetary or proprietary benefit, gain of any sort, or the contingent possibility of monetary or proprietary benefits and extends to expectations of economic benefit. Certainty of financial gain is not necessary to create a conflict of interest.

(A) The financial interest is direct when the individual, in his or her official capacity, does business with himself or herself in his or her private capacity.

(B) The financial interest is indirect if an employee, contractor, agent or consultant enters into a contract in his or her official capacity with an individual or entity, and because of the relationship between the individual or entity to the employee, contractor, agent or consultant, the individual or entity is in a position to render actual or potential pecuniary benefits to the employee, contractor, agent or consultant based on that contract.

(2) Participation in the making of a contract includes any act involving preliminary discussions, development, negotiations, compromises, reasoning, planning, drawing of plans and specifications, solicitation for bids, approval and execution.

(c) Regional center employees, contractors, agents or consultants shall not make any contract which is financially beneficial to a family member of such person, unless the benefits associated with the contract are available to regional center consumers or their families generally.

(a) In addition to the specific conflict of interest requirements and restrictions set forth above, regional center employees, contractors, agents and consultants are obligated to discharge their responsibilities with integrity and fidelity, and are prohibited from placing themselves in a position where their private, personal interests may conflict with their official duties.

(b) A regional center employee, contractor, agent or consultant is impliedly bound to exercise the powers conferred on him or her with disinterested skill, zeal and diligence and for the benefit of the regional center and its consumers.

(c) If a situation arises that has not been specifically addressed in these regulations, where a present or potential personal conflict of interest exists as to a particular transaction or decision, the employee, contractor, agent or consultant is disqualified from taking any part in the discussion or from making any recommendation or decision regarding the particular matter.

(d) In interpreting and applying this section, the common law doctrine against conflict of interest and the authorities interpreting that doctrine shall govern.

§ 54530. Employees, Contractors, Agents and Consultants Conflicts With Regional Center Duties.

For purposes of this subdivision, a change of status includes reporting a previously unreported activity that should have been reported, change in the circumstance of a previously reported activity, change in a financial interest, familial relationship, or legal commitment(s), change in regional center position or duties, and change to outside position or duties. This requirement is in addition to the annual August 1 submission of a Conflict of Interest Reporting Statement required by this section.

(e) The executive director or the acting executive director of the regional center shall review the completed Conflict of Interest Reporting Statement of each regional center employee, contractor, agent, and consultant required to file a Conflict of Interest Reporting Statement pursuant to subdivision (a) of this section, within 10 working days of receipt of the completed Conflict of Interest Reporting Statement, and shall determine whether the statement identifies a present or potential conflict of interest.

If either the area board or the State Council fail to provide the Department with its written approval or disapproval of the proposed Plan within 90 calendar days of receipt of the Conflict of Interest Reporting Statement and the proposed Plan, the Department alone may make the decision to disapprove the proposed Plan. The Department may impose additional restrictions and additional obligations to the proposed Conflict Resolution Plan and/or make a determination that further information is required.

(c) The Department is responsible for making the final decision as to what conditions, restrictions, obligations, or actions, if any, shall be imposed or taken by the regional center governing board, regional center, and/or the individual(s), to eliminate, or mitigate and manage, the present or potential conflict of interest.

The proposed Conflict Resolution Plan shall be approved, in writing, by the Department, and the Conflict Resolution Plan fully implemented prior to the individual engaging in otherwise prohibited conduct. Department approval is not granted until the regional center receives such determination in writing. Individuals shall not engage in activities in which there is a present or potential conflict of interest except in accordance with the terms of an approved Conflict Resolution Plan.

(e) Department approval of a proposed Conflict Resolution Plan is not valid unless it is based upon full disclosure of all relevant information by the regional center governing board, regional center, and/or the individual(s) with the present or potential conflict of interest. The Department may, in exercise of its discretion, grant the regional center governing board, governing board member,
executive director or regional center, an extension in which to complete any actions necessary to eliminate the conflict of interest.

(j) The regional center governing board, the regional center, and/or the covered individual(s) shall fully comply with all elements set forth in the approved Conflict Resolution Plan. (2) Require that the party or parties take appropriate action, within 30 calendar days of the notice of violation, to resolve the conflict of interest or otherwise eliminate the violation. The Department may extend this 30-day period only once and for a period not to exceed 30 calendar days.

(b) If the violation is not resolved or eliminated within the 30 calendar days as herein provided, and no extension of time has been granted by the Department, the Department may take immediate action to commence procedures for
termination or nonrenewal of the regional center contract pursuant to Welfare and Institutions Code section 4635. The area board in the respective area and the State Council shall be notified of the above action.
