Dangerous Drug Interactions: The People's Pharmacy Guide

By Joe Graedon and Teresa Graedon (1999); St. Martin's Press revised edition, ISBN: 0312968264.

This book summarizes much of what is known about drug interaction, not only with other medications (both prescription and over-the-counter), but with foods, vitamins and minerals, herbs, and alcohol. One chapter on drug interaction of particular interest to women, children, and the elderly. Excellent index.

Dean Edell, M.D., Medical Journalist in San Francisco, says: "At last, someone has tackled this most complex and critical area. Only the Graedons could make this clear and understandable. A "must have" for anyone interested in their health."
