2728. Attendants and Technicians in Institutions; Supervision *(return to table of contents)*

If adequate medical and nursing supervision by a professional nurse or nurses is provided, nursing service may be given by attendants, psychiatric technicians, or psychiatric technician interim permittees in institutions under the jurisdiction of the State Department of Mental Health or the State Department of Developmental Services or subject to visitation by the State Department of Health Services or the Department of Corrections. Services so given by a psychiatric technician shall be limited to services which he or she is authorized to perform by his or her license as a psychiatric technician. Services so given by a psychiatric technician interim permittee shall be limited to skills included in his or her basic course of study and performed under the supervision of a licensed psychiatric technician or registered nurse.

The Directors of Mental Health, Developmental Services, and Health Services shall determine what shall constitute adequate medical and nursing supervision in any institution under the jurisdiction of the State Department of Mental Health or the State Department of Developmental Services or subject to visitation by the State Department of Health Services.

Notwithstanding any other provision of law, institutions under the jurisdiction of the State Department of Mental Health or the State Department of Developmental Services may utilize graduates of accredited psychiatric technician training programs who are not licensed psychiatric technicians or psychiatric technician interim permittees to perform skills included in their basic course of study when supervised by a licensed psychiatric technician or registered nurse, for a period not to exceed nine months.
