MH challenges.		
SRF/DE: 4-bed; to serve female consumers from DCs and IMDs who exhibit severe behaviors with a history of		
aggression/assaultiveness, substance abuse, AWOL behavior and possible forensic involvement. Consumers have ID and MH challenges.		
SRF/DE: 4-bed; to serve male consumers from DCs and IMDs who exhibit severe behaviors with a history of	1	
aggression/assaultiveness, substance abuse, AWOL behavior and possible forensic involvement. Consumers have ID and MH challenges.		
Additional funding for prior year SRF (Victoria).		
Additional funding for two prior year projects (ARFPSHNs - Tristan and Lubec).	1	
SDRC (Total New Projects: 4)	\$	1,500,000
SRF: 4-bed; to serve adults with moderate/severe cognitive impairments with severe behavior challenges and some health needs.		
SRF: 4-bed; to serve adults with moderate to severe cognitive impairments.	-	
SRF: 4-bed; to serve adults with severe cognitive impairments with complex medical needs.	-	
Day Program: for consumers moving from DCs; fund sprinklers related to I-4 code issue (continuation funding).	-	
Day Program: for consumers moving from DCs.	-	
SGPRC (Total New Projects: 4)	\$	1,112,000
SRF/DESP: 4-bed; for individuals living in locked MH facilities; acquisition; rehab; start up.	+	_,,
SRF/DESP: 4-bed; for individuals living in locked MH facilities.	-	
Crisis response; Training; Assessment.	-	
Day Program: consumers with MH challenges who were living in MH facilities.	1	
TCRC (Total New Projects: 4)	\$	750,000
SRF: 4-bed; consumers with chronic MH challenges; additional support needs could include drug/alcohol	+	, 50,000
counseling/rehabilitation; some consumers have legal challenges; individuals are coming from community services, IMDs and Deflection.		
Day program: provide community integration, socialization, and stepping stone to employment services to support placements made in Nipomo area from DCs; may provide supported employment services also.		

Project	(I Approved Initial + bsequent)
SRF/NPO Housing (Non-Ambulatory): 3-bed; serve adults with Autism who display behaviors such as SIB, PICA, and aggression; access to LVN nursing.		
SRF: 4-bed; for consumers aged 50+ who display challenges such as SIB, aggression and PICA .		
	\$	220,000
VMRC (Total New Projects: 4)	>	320,000
SRF: adults with severe behaviorsaggression, AWOL, property destruction.	-	
SRF: children with aggression, AWOL, property destruction; step down facility from crisis home.	4	
SRF: Adults with intense behaviors who require psychiatric medication management.	-	
Day Program: offers socialization and promotion of microbusiness endeavors for individuals moving from DCs.	<u> </u>	
WRC (Total New Projects: 2)	\$	1,205,000
SRF/DE: 3-bed; consumers with dual diagnosis with history of substance abuse, MH challenges and mild forensic		
involvement: Home will offer comprehensive substance abuse, MH counseling, trauma focused therapies, social skills, competency training and crisis intervention services.		
ARFPSHN: 5-bed; for consumers with intensive medical needs.]	
Additional funding for Renovation: 3 female adults; (Ramsgate).	1	
Additional funding for renovation of prior year project/(SRF on 118th Street); 3 individuals at LDC & FDC.	1	
SCIHLP/IP (Total New Projects: 12)	\$	3,450,000
SRF/DESP: 4-bed; NLACRC; for consumers with severe behavioral and self-care challenges, MH diagnoses, court		
Day Program: NLACRC; serve 20 individuals with severe behavior and self-care challenges, MH diagnoses, court	1	
involvement.		
SRF/DESP: NLACRC; for consumers with severe behavioral and self care challenges, MH diagnoses, court involvement.		
SLS Program: HRC; for 12 consumers with ID and challenging behaviors requiring rehabilitation services, and positive	1	
behavior supports. Residents will have direct lease with landlord.
