Executive Director
Sonoma Developmental Center D/P

Dear Ms. Faria:

As you are aware, by notice dated July 25, 2014, the California Department of Public Health, Licensing and Certification (CDPH – L&C), Provider Certification Unit (PCU) terminated the ICF/IID Provider Agreement for Sonoma Developmental Center D/P (SDC) effective October 23, 2014 based on a re-certification survey completed on July 25, 2014.

On December 18, 2014, SDC appealed the termination of its ICF/IID Provider Agreement pursuant to the California Code of Regulations, title 22, section 51048.1 et seq., the appeals procedures provided by the State of California in accordance with the requirements in 42 C.F.R. Part 431, subpart D.

CDPH provided informal reconsideration of the July 25, 2014 certification survey and the October 23, 2014 termination in accordance with 42 C.F.R. § 431.154. A review of information submitted by SDC and the July 25, 2014 Statement of Deficiencies, CMS Form-2567L, the results of which are specifically incorporated by reference, was conducted. After careful consideration of all material presented, CDPH- L&C PCU hereby confirms that SDC does not meet the applicable Conditions of Participation as an intermediate care facility for individuals with intellectual disabilities in the Medi-Cal program. Accordingly, CDPH-L&C PCU affirms the termination of your provider agreement.

However, based on the submission of new information, and after consultation with the Centers for Medicare & Medicaid Services (CMS), CDPH-L&C PCU is exercising its authority under 42 C.F.R. § 431.154 to revise the effective date of the termination of SDC's ICF/IID Provider Agreement to July 1, 2016.

If you have any questions, please feel free to contact Paul Romero Certification Specialist, of my staff at (916) 552-8678.

Ms. Karen Faria
