### **Performance Report for Alta California Regional Center**

Every year, the Department of Developmental Services (DDS) contracts with regional centers in California to serve consumers and families. And, every year DDS looks at how well the regional centers are doing. This report will give you information about your regional center.

Last year, at Alta California Regional Center (ACRC) we served about 20,100 consumers. The charts on page 2 tell you about the consumers we serve. You'll also see how well we are doing in meeting our goals and in fulfilling our contract with DDS.

At ACRC, we want to improve every year, do better than the state average, and meet or exceed the DDS standard. As you can see in this report, we did well in most areas. We strive to continue to provide quality services to our clients and their families.

We hope this report helps you learn more about ACRC. If you have any questions or comments, please contact us!

This report is a summary. To see the complete report, go to: [www.altaregional.org](http://www.altaregional.org) or contact Peter Tiedemann at 916-978-6201.
