

Public Policy Performance Measures

<i>Public Policy Performance Measure</i>	<i>Activities Regional Center will Employ to Achieve Outcome</i>
Number and percent of Regional Center caseload in Developmental Centers	<p><u>Statement:</u> The Eastern Los Angeles Regional Center (ELARC) is committed to providing assistance to individuals and their families, who choose to move from a state developmental center (SDC) into a less restrictive environment within their home communities. It is our belief that through our efforts the percentage of people living in a SDC will decrease throughout the next five years.</p> <p><u>Activities:</u> (Continue with 2012 Activities) Activities are outlined in Community Placement Plan</p>
Number and percentage of minors residing with families (includes in their own home, in a foster home or with a Guardian)	<p><u>Statement:</u> ELARC will ensure that children, whose health and safety will not be compromised, will reside with their families by providing the needed supports and services regardless of the severity of his/her disability.</p> <p><u>Activities:</u> Placement Specialist (PS) will submit a monthly report to outcome coordinator on the number of children placed out of home and/or requests for out of home placement. By establishing closer communication with PS trends and patterns that lead to out of home placement may be better identified.</p> <p>Increase the development and expansion of services, including residential services that have been identified as necessary to maintain the child in the home when living at home is the preferred objective in the child's individual program plan.</p>

	<p>Service Coordinators will work with families to assist them in maximizing the utilization of generic resources. Accessing generic resources may provide families with the needed services and supports to prevent out-of-home placement.</p> <p>When developing Individual Program Plans (IPP) for children Service Coordinators will focus on the strengths, preferences and needs of the child and the family unit as a whole. Accordingly, plans will be flexible in order to meet the needs of the family as they evolve over time.</p>
Number and percent of adults residing in home settings	<p><u>Statement:</u> ELARC will ensure consumers are encouraged to assert their rights to determine and control the living arrangement of their choice. This may include owning, renting, or leasing the home where the consumer resides. The availability of assistive technology services to maximize consumer participation will be explored annually at the IPP and as needed, and implemented and monitored on a case by case basis.</p> <p><u>Activities:</u></p> <ul style="list-style-type: none"> • Work with existing Family Home Agency (FHA) vendors to increase developments of certified families within the catchment area. • Work with housing resources in order to be better informed and have access to affordable housing developments in Los Angeles County. Include and identify developments for special needs population such as the elderly, homeless, mental health and battered women in order to integrate consumers based on these needs. • The regional center will identify needs and coordinate developments related to independent living, supported living

	<p>and supports for adults residing in home settings.</p> <ul style="list-style-type: none"> • Work with Non Profit Housing Organization(s) to demonstrate affordable funding feasibility for new apartment units within the catchment area.
<p>Number and percent of minors living in facilities serving less than 6 individuals</p>	<p><u>Statement:</u> Children served by ELARC and in need of residential services will be provided with the most appropriate level of care in the least restrictive and most home-like setting possible. It is our belief that through our efforts, the percentage of children residing in facilities with seven or more beds will be maintained or decreased from its currently low level throughout the next five years.</p> <p><u>Activities:</u></p> <ul style="list-style-type: none"> • On a quarterly basis, needs assessment will be conducted by Outcome Coordinator and any unmet needs will be relayed to Community Services Division for resource development activity. • Children residing in facilities with 7+ Beds will be assigned to the Intensive Services Liaison (ISL) caseload and diligent efforts will be made to assess appropriateness of placement, provide information on smaller, less restrictive living options to parents and assist in relocation efforts if agreed to by the planning team. • ELARC will provide information and explore training opportunities for Service Coordinators to increase their knowledge of medically fragile/high medical need's children, understand risk factors and identify services and supports that benefit the child. The same process will apply to children with high behavioral and/or psychiatric needs. • Service Coordinators will conduct ongoing evaluation of

	<p>cases in order to identify medically fragile/high medical needs children as early as possible and collaborate with Healthcare Facilities and Medically Fragile Unit Supervisor and/or Placement Coordinator (PC) in the event more intensive medical or nursing supports are needed to maintain the child in the family home or if residential services are needed. This same process will apply for children with behavioral issues who may be in need of more specialized and intensive behavioral and psychiatric services.</p> <ul style="list-style-type: none"> • ELARC will continue to collaborate with the community in identifying resources (natural supports, generic and funded) available to assist families in mitigating stressors as a result of caring for a medically fragile/high medical need's child and children with complex behavioral and psychiatric needs. • ISL and PC will participate with ELARC's resource development staff and in community placement planning (CPP) meetings each month in an effort to assist in identifying unmet future needs for children.
<p>Number and percent of adults living in facilities serving over 6 individuals</p>	<p><u>Statement:</u> ELARC is committed to providing all adult consumers, who may need residential services, with appropriate living options which foster homelike living arrangements and opportunities for meaningful community integration and experiences.</p> <p><u>Activities:</u></p> <ul style="list-style-type: none"> • The Intensive Services Liaison and Service Coordinators will continue to provide information on the array of community living options, including certified FHA homes, Independent Living Services, Supported Living Services, and small group homes as alternatives to living in large group home settings,

STATEMENT OF ASSURANCES

This is to assure that Eastern Los Angeles Regional Center Year 2013 Performance Contract was developed in accordance with the requirements specified in Welfare and Institutions Code section 4629 and the Department of Developmental Services' (DDS) Year 2013 Performance Contract Guidelines.

The performance contract was developed through a public process which included:

- Providing information, in an understandable form, to the community about regional center services and supports, including budget information and baseline data on services and supports and the regional center operations
[WIC 4629 (c)(B)(i)]
- Holding at least one public meeting to solicit input on performance objectives and using focus groups or surveys to collect information from the community
[WIC 4629 (c)(B)(ii)]
- Providing at least 10 calendar days advance public notice of the date(s) of the public meeting (DDS Guidelines)
- Circulating a draft to the community of the performance contract plan relative to the public policy and compliance outcomes identified in the DDS Performance Contract Guidelines, and any locally developed policy outcomes prior to presenting the contract to the regional center board for action
[WIC 4629 (c)(B)(iii)]
- Providing an opportunity for additional public input and consideration of that input at the regional center board meeting prior to board action on the proposed performance contract [WIC 4629 (c)(B)(iii)]
