FRANK D. LANTERMAN REGIONAL CENTER

*Spring 2014*

### Performance Report for Frank D. Lanterman Regional Center

Every year, the Department of Developmental Services (DDS) contracts with regional centers in California to serve consumers and families. And, every year DDS looks at how well the regional centers are doing. This report will give you information about your regional center.

Last year, at Frank D. Lanterman Regional Center (FDLRC) we served about 8,600 consumers. The charts on page 2 tell you about the clients we serve. You'll also see how well we are doing in meeting our goals and in fulfilling our contract with DDS.

At FDLRC, we want to improve every year, do better than the state average, and meet or exceed the DDS standard. As you can see in this report, we've reduced the number of people living in a developmental center and we continue to help adults live in small home-like settings, either in their own apartment or in a licensed home that services less than six people.

We hope this report helps you learn more about FDLRC. If you have any questions or comments, please contact us!
