

PERFORMANCE CONTRACT – 2014 **Far Northern Regional Center**

Public Policy Performance Measures

MEASURE	ACTIVITIES REGIONAL CENTER WILL EMPLOY TO ACHIEVE OUTCOME
<p>1. Decrease number and percent of regional center caseload in developmental centers.</p> 	<p><u>Statement:</u> <i>All people are valuable and have gifts and abilities. All people are best supported in an inclusive community.</i></p> <p><u>Activities:</u></p> <ul style="list-style-type: none"> • Implement the Community Placement Plan to assist developmental center residents to move into the community. • Provide options in the community for individuals who might otherwise be referred to a SDC or other living options not eligible for federal financial participation. • Continue development of new homes in FNRC area to meet the need of individuals with intensive health, mental health and behavioral needs. • Provide specialized training to community based service providers to increase the effectiveness of services for individuals with challenging needs.

MEASURE

2. Increase number and percent of minors residing with families.

ACTIVITIES REGIONAL CENTER WILL EMPLOY TO ACHIEVE OUTCOME

Statement:

Families will receive support services to prevent inappropriate out-of-home placements. Families will have access to information and education.

Activities:

- Maximize the use of community resources that provide supports to families to assist them in maintaining their children at home.
- Provide group parent training and supports to reduce behaviors that interfere with a child's ability to interact with their family and community.
- Evaluate and provide accommodations and modifications to family homes and vehicles.
- Continue to identify and promote best practices in assessment and treatment of autism so families can access appropriate resources.
- Continue to provide families with the services and supports needed to assist them in providing home services, respite, hospice care, and crisis services.

MEASURE

3. Increase the number and percent of **adults** residing in home settings.

ACTIVITIES REGIONAL CENTER WILL EMPLOY TO ACHIEVE OUTCOME

Statement:

Home can be defined in many different ways, but it is the place where a person wants to be.

Activities:

- Continue to develop and provide a variety of effective services and supports that make it possible for consumers to live in the community.
- Continue to develop innovative day activity programs to provide increased options for daytime support.
- Provide low-cost training to community based service providers and their staff to promote safe supports and services.
- Monitor supported living environments to ensure safe supports and services.
- Provide ongoing training to community based service providers and their staff to promote client health and safety.

MEASURE

4. Decrease number of **minors** living in facilities serving six or more people:

ACTIVITIES REGIONAL CENTER WILL EMPLOY TO ACHIEVE OUTCOME

Statement:

Far Northern has no children in large facilities. Children belong in loving inclusive homes.

Activities:

- When children are at risk, FNRC may utilize an intensive service residence for short-term crisis stabilization. Services can be identified and provided to allow the child to successfully transition back to their home. If our efforts fail, we will place the child in a small home, with six or fewer children, and where each child has their own bedroom.

MEASURE

5. Decrease number and percent of **adults** living in facilities serving more than six people.

ACTIVITIES REGIONAL CENTER WILL EMPLOY TO ACHIEVE OUTCOME

Statement:

Far Northern supports living arrangements that are small. Our choices for adults are homes that serve four or fewer people and provide adults with private bedrooms and baths.

Activities:

- FNRC will identify all consumers living in large skilled nursing facilities and assess their needs to see if they can be appropriately served in a small home serving six or fewer people.
- FNRC will share value-based preferences at Residential Provider orientation classes to continue to develop homes for four or fewer people with rooms of their own.

MEASURE

6. Client Development Evaluation Report (CDER) or Early Start Report (ERS) is current.

**ACTIVITIES REGIONAL CENTER WILL EMPLOY TO ACHIEVE OUTCOME****Statement:**

FNRC will ensure that critical information is entered into SANDIS in a timely and accurate manner.

Activities:

- SC will enter accurate and current CDER information for consumers during birth month or ERS information within 45 days of the initial referral.
- Supervisors will monitor accuracy and accountability via quality assurance reviews of randomly selected records.
- Supervisors review the monthly notification of delinquent CDERs/ERS.
- CDERs are reviewed for accuracy whenever there is a request for out-of-home placement or respite, or for supported living services.

MEASURE	ACTIVITIES REGIONAL CENTER WILL EMPLOY TO ACHIEVE OUTCOME
<p>7. Intake and assessment will be provided within 45-days of referral and an Individual Family Service Plan (IFSP) shall be developed within 45 calendar days of the referral as required by the Lanterman Act Section 95020(b).</p> 	<p><u>Statement:</u> <i>Children aged birth to three years shall be evaluated and assessed for the purpose of determining eligibility and service planning within 45 days as required by Part C.</i></p> <p><u>Activities:</u></p> <ul style="list-style-type: none"> • Children determined eligible shall have an initial IFSP completed with service identification within 45 days of the initial referral. • Supervisors review progress of intake/assessment timelines monthly. • Continue collaborative Intake process with local SELPA's

MEASURE	ACTIVITIES REGIONAL CENTER WILL EMPLOY TO ACHIEVE OUTCOME
<p>8. Intake/assessment time lines for consumers age three and above are met.</p>	<p><u>Statement:</u> <i>FNRC will ensure that intake and assessment time lines for applicants three and older are met.</i></p> <p><u>Activities:</u></p> <ul style="list-style-type: none"> • Continue to assess and develop local resource needs related to intake/assessments. • Supervisors review progress of intake/assessment timelines monthly.
<p>9. Individual program plans will be developed and required by the Lanterman Act Section</p> 	<p><u>Statement:</u> <i>The individual planning process is conducted to determine the life goals, strengths, gifts and concerns of the person we serve.</i></p> <p><u>Activities:</u></p> <ul style="list-style-type: none"> • FNRC will develop individual plans in the spirit and to meet the requirements of WIC 4646.5

ACTIVITIES REGIONAL CENTER WILL EMPLOY TO ACHIEVE OUTCOME

Statewide data collection methodology is under development

Activities Already Started:

- Continue to provide training to consumers, families and service providers through the use of peer advocates in the Abuse Prevention Team, Consumer Abuse Awareness Team (CAAT), "Respect Yourself" for men and women and "You and Me".
- Continue to provide Personal Care Guidelines to consumers who require help eating, bathing, dressing, and toileting.

FNRC LOCAL POLICY OUTCOMES

Increase awareness of cultural diversity and improve services for all ethnic groups served by Far Northern Regional Center:

FOCUS Film Festival 2012

Activities:

- Provide awareness for Far Northern Regional Center staff related to cultural disparity in regional center services.
- Work with local agencies (Family Resource Centers, Managed Care Plans, etc.) to increase awareness of regional center services for minority populations they serve.
- Offer supports to consumers, families and service providers utilizing bi-lingual family mentors during the intake process and continuing until a IFSP or IPP is developed and implemented.
- Work with service providers to develop bi-lingual services and improve access to all ethnic groups.
- Utilize Far Northern Regional Centers' annual Focus Film Festival to present and distribute information and awareness of cultural diversity.

How is Far Northern Regional Center Performing?

¹ Persons 36 months of age and over are to be assessed within 120 calendar days following initial intake.

STATEMENT OF ASSURANCES

This is to assure that Far Northern Regional Center's Year **2014** Performance Contract was developed in accordance with the requirements specified in Welfare and Institutions Code section 4629 and the Department of Developmental Services' (DDS) Year **2014** Performance Contract Guidelines.

The performance contract was developed through a public process which included:

- Providing information, in an understandable form, to the community about regional center services and supports, including budget information and baseline data on services an supports and the regional center operations [WIC 4629 (c)(B)(i)]
- Holding at least one public meeting to solicit input on performance objectives and using focus groups or surveys to collect information from the community [WIC 4629 (c)(B)(ii)]
- Providing at least 10 calendar days advance public notice of the dates(s) of the public meeting (DDS Guidelines)
- Circulating a draft to the community of the performance contract plan relative to the public policy and compliance outcomes identified in the DDS performance Contract Guidelines, and any locally developed policy outcomes prior to presenting the contract to the regional center board for action [WIC 4629 (c)(B)(iii)]
- Providing an opportunity for additional public input and consideration of that input at the regional center board meeting prior to board action on the proposed performance contract [WIC 4629 (c)(B)(iii)]
