

DEVELOPMENTAL CENTERS PROPOSED TO BE CLOSED

Facts:

The Department of Developmental Services (DDS) is writing a plan to close the last two Developmental Centers in California.

- Fairview Developmental Center (FDC)
- General treatment Area of Porterville Developmental Center (PDC GTA)

**This plan must be given to the Legislature by
April 1, 2016**

THE PLAN

The **plan** must talk about:

How closing will affect residents and families.

Places for people to move to.

Where people will get services.

Possible jobs for Developmental Center employees.

HOW THE PLAN IS MADE

The plan includes getting comments from:

Consumer Input

- If you were moving out of a Developmental Center, what is important to you about:
 - A place to live?
 - What to do during the day (job, fun)?
 - Staying well?
 - Seeing family and friends?

Consumer Input

- What should the people living at Fairview and Porterville do to get ready to move?

- What can self-advocates do to help people living at Fairview and Porterville to move?
