Projects below are shown alphabetically by the "Associated Regional Center"

Community Based Organization (CBO) or Regional Center (RC) Name	Organization Type (CBO or RC)	Project Title	Description	Targeted Race/Ethnic Group(s) and/or Language(s)	Awarded Amount	Duration (months)	Associated Regional Center(s)
ACRC	RC	Enhanced Respite Services to the Culturally and Linguistically Diverse Target Populations	Engage families through focus groups and provide families with translated materials about respite services. Collaborate with respite agencies to enhance respite services by making services culturally and linguistically responsive to target populations.	Hispanic (Spanish), Asian (Vietnamese, Laotian, Mien, Hmong), Slavic, Filipino, Low Socioeconomic Status	\$18,318	24	ACRC
ACRC	RC	ACRC Staff, Providers, and Parent/Family Workshops	Empower families by providing training and educational sessions on the developmental disability system, social service agencies, educational institutions, and human services agencies. Develop and publish (online) audio and video materials of workshops. Provide developed materials to ACRC staff to enhance their skills, knowledge, and capacity to serve families.	Hispanic (Spanish), Asian (Hmong), Slavic, Asian-Indian (Hindi, Urdu), Other Uralic-Slavic language, Ages 3 and Older, Low Socioeconomic Status	\$41,140	24	ACRC
Tri-County Respite Care	CBO	Enhanced Respite Services to the Hmong and Punjabi Populations of Alta California Regional Center	Collaborate with Alta California Regional Center to increase culturally and linguistically responsive respite services. Increase utilization of respite services by recruiting respite workers from Hmong and Punjabi populations or communities. Respite workers who are culturally and linguistically reflective of the families they service will help mitigate issues of distrust and increase understanding about respite. Provide services to consumers with no or low purchase of service utilization.	Hmong, Punjabi, Hindi, Urdu, Ages 3 and Older, Low Socioeconomic Status	\$75,766	24	ACRC
UCP Family Respite Services	CBO	Enhanced Respite Services to the Underrepresented Ethnic Populations of Alta California Regional Center	Collaborate with Alta California Regional Center to increase culturally and linguistically responsive respite services. Increase utilization of respite services by recruiting respite workers from targeted ethnicities and linguistic backgrounds. Translate materials (client handbooks, training, and respite documents) into multiple languages. Provide services to consumers with no or low purchase of service utilization.	Spanish, Slavic, Middle Eastern, Japanese, Vietnamese, Korean, Hmong, Russian, Ukrainian, Arabic, Farsi, Hindi, Urdu, other, Ages 3 and older	\$96,863	24	ACRC
Community Initiatives for Collective Impact/Hlub Hmong Center	CBO	Family-Driven Cultural and Systems Change	Use the Hlub Hmong Center's "Story Cloth" method to organize, train, and support "Family Support Teams" to implement home-based and familiar setting-based workshops on the importance of early assessments and CVRC services. Family Support Teams will consist of parents and caregivers of children with developmental disabilities. Family Support Teams will engage families by holding monthly conversations in coordination with local special education teachers/representatives.	Asian (Hmong), Ages 0-5, Low Socioeconomic Status	\$353,715	24	CVRC
