Subject: Email from Nancy Bargmann Regarding Next PSPS Event

Based on information provided by the California Office of Emergency Services (CalOES) and Southern California Edison, a projected weather event and potential de-energization is forecasted to begin on **Thursday, 10/24/19 at 0000 hours and end on 10/28/19 at 0000 hours**. Potentially impacted counties include: **Orange, San Bernardino, Kings, Santa Barbara, Ventura, Riverside, Los Angeles, Kern and Mono Counties**.

Consistent with the authority provided in Welfare and Institutions Code Section 4639.6, I am directing all regional centers potentially impacted by this projected weather event to activate their Everbridge notification system and share this information with all regional center consumers, providers and employees in order to help protect their health and safety.

Thank you for your assistance with this notification.

Sincerely,

Nancy Bargmann
Director
