

FREQUENTLY ASKED QUESTIONS COVID-19

FOR INDIVIDUALS AND FAMILIES

1. What is COVID-19?

COVID-19 is also known as novel coronavirus. More information can be found here:

<https://www.dds.ca.gov/corona-virus-information-and-resources/>

<https://www.cdph.ca.gov/Programs/CID/DCDC/Pages/Immunization/ncov2019.aspx>

<https://www.cdc.gov/coronavirus/2019-ncov/index.html>

2. I am feeling sick and think I have COVID-19, what should I do?

If you have symptoms of COVID-19 including fever, cough or shortness of breath, and you think you might have been exposed to someone who tested positive or you recently traveled to an area that has community transmission, call your local health care provider and your service coordinator .

3. I don't have a doctor or healthcare provider. What should I do?

If you do not have a doctor or health care provider, you can find more information here:

<https://www.cdph.ca.gov/Programs/CID/DCDC/Pages/Immunization/ncov2019.aspx>.

You can search for a health care provider near you here:

<https://findahealthcenter.hrsa.gov/>

4. Who is at greatest risk?

Early information out of China, where COVID-19 first started, shows that some people are at higher risk of getting very sick from COVID-19. This includes:

- Older adults (65+)
- Individuals with compromised immune systems
- Individuals who have serious chronic medical conditions like:
 - Heart disease
 - Diabetes
 - Lung disease

If you are at higher risk for serious illness from COVID-19 because of your age or health condition, it is important for you to take actions to reduce your risk of getting sick with the disease, including:

- Staying at home and practicing social distancing
- Washing your hands often with soap and water for at least 20 seconds, especially after blowing your nose, coughing, or sneezing, or having been in a public place
- Avoiding touching eyes, nose or mouth with unwashed hands
- Avoiding being close to people who are sick
- Considering ways of getting food brought to your house through family, social, or commercial networks

5. How do I protect myself from COVID-19?

Stay home except for essential activities. When you must go out, stay 6 feet away from other people. The CDC recommends wearing cloth face coverings in public settings where other social distancing measures are difficult to maintain (e.g., grocery stores and pharmacies) **especially** in areas of significant community-based transmission. More information can be found here: <https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/cloth-face-cover.html>

Wash your hands often and avoid touching your eyes, nose, and mouth. If someone you know is sick, stay at least 6 feet away from them until they are well. More information can be found here: <https://covid19.ca.gov/stay-home-except-for-essential-needs/>

6. Is my regional center closed?

Regional Centers are providing service coordination and your service coordinator is available. Many regional center staff are working from different locations and not holding face-to-face meetings in their offices. They are there to help you and answer your questions. Please visit <https://www.dds.ca.gov/rc/listings/> to contact your regional center.

7. How do I contact my service coordinator?

Use the phone number or e-mail address you normally use to contact your service coordinator. Please visit <https://www.dds.ca.gov/rc/listings/> for regional center contact information.

8. What additional services will my regional center provide during this situation?

Talk to your service coordinator about any additional supports or services you have as a result of this situation.

9. Can I or should I go to my day program?

To protect public health and slow the rate of transmission of COVID-19, everyone should follow the guidance issued by CDPH on March 16, 2020.

CDPH's guidance can be found at:

<https://www.cdph.ca.gov/Programs/CID/DCDC/CDPH%20Document%20Library/COVID-19/cdph-guidance-gatherings-covid19-transmission-prevention-03-16-2020.pdf>.

10. What do I do if I can't go to my day program?

Day program providers are encouraged to consider all options to continue to provide services to support consumers, families, and residential providers. However, necessary and appropriate options aligned with current Centers for Disease Control and Prevention (CDC) and state guidelines, and local county public health recommendations, have to be considered by day programs. If your day program closes for any reason, please contact your service coordinator to discuss options for additional services and supports based on your individual needs.

11. What will happen with educational services while schools are closed?

Educational services may differ within each school district and Individualized Education Plan (IEP). In order to obtain the most current information, contact your local school district. The Department of Education has developed questions and answers specific to educational services, located at:
