**Reporting Incidents Related to COVID-19**

---

**What to know**

**Regional centers and people who support you will report if someone might be sick with COVID-19.**

During the COVID-19 outbreak, regional centers and providers will complete a report for any incident related to COVID-19. This will help staff know if there is a risk to you or others and will help staff plan to keep you safe.

**What's changing**

Reports will be completed if you have been around anyone with COVID-19, might have COVID-19, have been tested for COVID-19, or have COVID-19.

This information will be used to help make plans to keep you and others safe during the COVID-19 crisis.

**Questions?**

Please contact your local regional center. If they cannot help you, please email [DDSC19@dds.ca.gov](mailto:DDSC19@dds.ca.gov)
