

Creativity Explored

San Francisco, CA

Arts and Innovation in Challenging
Times

Where We Began

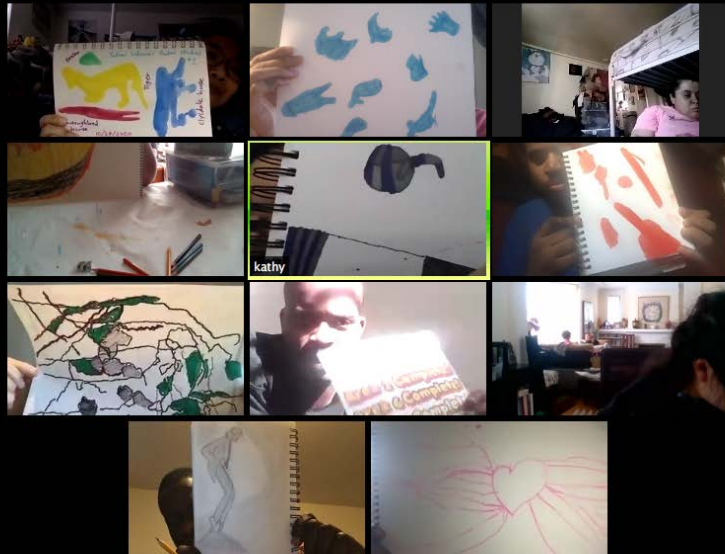

- Serving 130 adults with developmental disabilities
- Place-based art studio environments
- Artists join a vital community of active creators
- Artists earn income from art sales
- Art is exhibited locally, nationally, and internationally
- Weekly visits to galleries, museums and other venues

The Pivot: Where Are We Now ?

- Over 20 Zoom Classes Mon-Sat
- Art by mail projects
- Supportive contact (phone calls/texts/ZOOM/Facetime/etc.)
- Weekly art supply deliveries to artists' homes
- Technology Support
- Coming soon: one-to-one community visits

Over 20 Virtual Classes Monday - Saturday

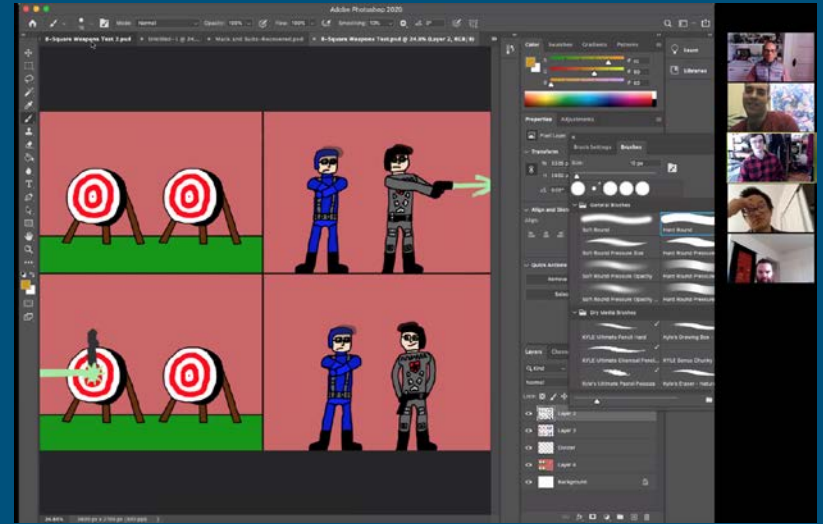

Art by Mail

Artists Shaping the Transformation

- Self-directed learning program for each artist
- Artists worked together to name the colors in our refreshed brand palette used throughout the new CE website
- Ongoing artist assessments and interviews to gather input
- No two artists participate in the same way
- Inclusion through:
 - Participation in public events and panels
 - Development of expanded artist choice
 - Training for entire staff in Person Centered Planning through HCBS grant
