Important notice from the Department of Developmental Services about

## **In-Person Visits to Individuals in Care Facilities**

### **What to Know**

Everyone who lives in a licensed care facility needs to keep following COVID-19 safety practices when having in-person visits with friends and family.

### **What's Changing**

There are lots of different rules to keep people safe from COVID-19 during in-person visits. The rules can be different depending on where you live. Your regional center will work with you, your service providers, and your visitors to make sure all in-person visits follow the correct COVID-19 safety rules.

### **Questions?**

Please contact your local regional center. If they cannot help you, please email [DDSC19@dds.ca.gov](mailto:DDSC19@dds.ca.gov).

### **Learn More**

You can read [the full DDS Directive on Visits to Individuals Residing in Licensed Care Facilities](#). Visit [the DDS website](#) for more COVID-19 information.
