Help is Available to Lower Your Monthly Energy Costs

For people who depend on electricity for medical equipment, the utilities may be able to provide lower cost energy rates. **You will need a medical professional to sign your application.** Click on your utility company in [this flyer](#) to sign up! The flyer is also available in the following languages:

- [Spanish](#)
- [Arabic](#)
- [Armenian](#)
- [Farsi](#)
- [Hmong](#)
- [Korean](#)
- [Simplified Chinese](#)
- [Tagalog](#)
- [Traditional Chinese](#)
- [Vietnamese](#)

As we continue through wildfire season, there are things you can do to prepare for planned electrical power outages.

- If your electricity is provided by Pacific Gas and Electric (PG&E), Southern California Edison, or San Diego Gas and Electric, [sign up for electrical power outage alerts here](#) and you don't need an account to sign up
- You can also find general information in several languages about creating an emergency plan, and what things to have available if you need them, is here: <https://www.listocalifornia.org/>
- The [Feeling Safe, Being Safe materials](#) can help you make a plan that you can use in case of an emergency
