SUBJECT: GUIDELINES FOR IMPLEMENTATION OF CHANGES TO  
COMPETITIVE INTEGRATED EMPLOYMENT INCENTIVE PAYMENTS  
EFFECTIVE JULY 2021

A. PURPOSE

Welfare and Institutions (W&I) Code section 4870 (Enclosure A) was amended as of July 16, 2021, pursuant to Assembly Bill 136. Competitive integrated employment (CIE) is full or part-time work for which an individual is paid minimum wage or greater in a setting with others who do not have disabilities. Section 4870(d) authorizes funding to the Department of Developmental Services (Department) for incentive payments to providers for placement and retention of regional center consumers, consistent with a consumer's Individual Program Plan (IPP). The purpose of this correspondence is to delineate changes to W&I Code section 4870 and the subsequent changes to the "Guidelines for Implementation of Competitive Integrated Employment Incentive Payments" issued by the Department on August 5, 2016 (Enclosure B).

B. FUNDING

Incentive payments shall be made to the service provider who, on or after July 1, 2016, places an individual into CIE as described in W&I Code sections 4851(o) and 4868(d) and the individual is still competitively employed for the specified milestones of 30 consecutive days, six consecutive months, and 12 consecutive months.

Effective July 1, 2021 until June 30, 2025, the CIE incentive payments for each milestone reached during this time period is as follows:

- (1) A payment of two thousand dollars (\$2,000) if the individual is still engaged in CIE after 30 consecutive days, as described in W&I Code sections 4851(o) and 4868(d).
- (2) An additional payment of two thousand five hundred dollars (\$2,500), if the individual in paragraph (1) remains in CIE for six consecutive months.
- (3) An additional payment of three thousand dollars (\$3,000), if the individual in paragraph (2) remains in CIE for 12 consecutive months.

**"Building Partnerships, Supporting Choices"**

These increased milestone payments will only apply to milestones reached within the time period of July 1, 2021 through June 30, 2025. The CIE placement and earlier milestone payments may have occurred prior to July 1, 2021.

Regional centers shall verify the required duration in the job placement for each incentive payment before funds are provided to the service provider. Payments made pursuant to the incentive program shall not be made in addition to the placement payments pursuant to W&I Code section 4860(d).

A service provider supporting an individual in a paid internship program is not eligible for the above incentives until the individual transitions to CIE [W&I Code section 4870(g)].

### C. IMPLEMENTATION

Guidelines for the incentive program are as follows:

- (1) Regional centers shall make information available to service providers regarding incentive payments and changes effective July 1, 2021.
- (2) For CIE incentive payment milestones that are reached from July 1, 2021 until June 30, 2025, the following sub-codes should be utilized:
  - “EMPP” for placement incentive after 30 consecutive days;
  - “EMP6” for six consecutive months’ incentive; and
  - “EMP12” for 12 consecutive months’ incentive.

These new sub-codes are available for use now.

- (3) For CIE incentive payment milestones achieved prior to July 1, 2021, the following sub-codes and payment amounts should continue to be utilized:
  - “CIEP” for placement incentive after 30 consecutive days (\$1,000);
  - “CIE6” for six consecutive months’ incentive (\$1,250); and
  - “CIE12” for 12 consecutive months’ incentive (\$1,500).

**TO: REGIONAL CENTER EXECUTIVE DIRECTORS**

**SUBJECT: GUIDELINES FOR IMPLEMENTATION OF COMPETITIVE  
INTEGRATED EMPLOYMENT INCENTIVE PAYMENTS**

**A. PURPOSE**

Welfare and Institutions Code (WIC) was amended to add section 4870(d-g) (Enclosure 1) to increase sustained competitive integrated employment (CIE) placements by regional center service providers. CIE is full or part-time work for which an individual is paid minimum wage or greater in a setting with others who do not have disabilities. Section 4870(d) authorizes funding to the Department of Developmental Services (Department) for incentive payments to providers for placement and retention of regional center consumers, consistent with a consumer's Individual Program Plan (IPP). This correspondence provides guidance for the implementation of the incentive payments. The guidelines were developed as a collaborative effort, with input from various stakeholders as a result of two statewide meetings and other means.

**B. FUNDING**

The regional center will be responsible for making incentive payments to service providers within their catchment area [WIC 4870(d)]. The incentive payment amount for each individual placed in CIE is as follows:

1. A payment of one thousand dollars (\$1,000) shall be made to the service provider who, on or after July 1, 2016, places an individual into CIE [WIC 4851(o) and 4868(d)], and the individual is still competitively employed after 30 consecutive days.
2. An additional payment of one thousand two hundred fifty dollars (\$1,250) shall be made to the service provider for an individual described in paragraph (1) who remains in CIE for six consecutive months.
3. An additional payment of one thousand five hundred dollars (\$1,500) shall be made to the service provider for an individual described in paragraphs (1) and (2) who remains in CIE for 12 consecutive months.

**"Building Partnerships, Supporting Choices"**

Regional centers shall verify the required duration in the job placement for each incentive payment, before funds are provided to the service provider. Payments made pursuant to the incentive program shall not be made in addition to the placement payments pursuant to subdivision (d) of section 4860.

A service provider supporting an individual in a paid internship program (Enclosure 2) is not eligible for the above incentives until the individual transitions to CIE [WIC 4870(g)].

### **C. IMPLEMENTATION**

Guidelines for the incentive program are as follows:

1. Regional centers shall make information available to service providers regarding incentive payments.
  - The suffix "CIE" will be added to existing service codes as a sub-code as follows:
    - a. 952-CIEP for placement incentive after 30 consecutive days;
    - b. 952-CIE6 for six consecutive months' incentive; and
    - c. 952-CIE12 for 12 consecutive months' incentive.
  - The Department will issue a technical bulletin regarding the use of sub-codes.
2. Service providers are not required to apply for a new vendorization; however, they may need to submit a program design addendum to the regional center describing the services and supports created to assist consumers in achieving placement in CIE. Regional centers will need to approve the program design addendums.
3. Regional centers should work with service providers to provide outreach to potential employers, schools and other entities to facilitate the success of sustainable CIE.
4. Employment placement wages will be, at least, state or local minimum wage [WIC 4868(d)(l)].
5. There is no minimum or maximum hour requirement; however, there is a cap on incentive funding as specified above.

**TO: REGIONAL CENTER EXECUTIVE DIRECTORS**

**SUBJECT: GUIDELINES FOR IMPLEMENTATION OF PAID INTERNSHIP PROGRAM**

**A. PURPOSE**

Welfare and Institutions Code (WIC) was amended to add section 4870 (enclosed) to encourage competitive integrated employment (CIE) for individuals with developmental disabilities (consumers). CIE is full- or part-time work for which an individual is paid minimum wage or greater in a setting with others who do not have disabilities. Section 4870 authorizes funding to the Department of Developmental Services (Department) for a paid internship program. The purpose of the program is to increase the vocational skills and abilities of consumers who choose, via the Individual Program Plan (IPP) process, to participate in an internship. Goals of this program include the acquisition of experience and skills for future paid employment, or for the internship itself to lead to full- or part-time paid employment in the same job. This correspondence provides guidance for the implementation of the paid internship program. The guidelines were developed as a collaborative effort, with input from various stakeholders, as a result of two statewide meetings and other means.

**B. IMPLEMENTATION**

Internships are predicated on the person-centered planning process. Regional centers are responsible for informing consumers and the community about the paid internship program.

Guidelines for the paid internship program are as follows:

1. Regional centers should work with service providers to provide outreach to consumers, families, schools, potential employers and any other entities to facilitate the success of the internship program.
2. Internship wages will be, at least, state or local minimum wage. [WIC 4868(d)(I)]

**"Building Partnerships, Supporting Choices"**

3. Consumers 18-22 years of age, who are in school and interested in participating in the paid internship program, may be eligible; however, regional centers must comply with WIC Section 4648.55.
4. Beginning July 1, 2016, regional centers shall provide each consumer eligible to work with information about the option of participating in a paid internship. For those consumers who choose an internship, the IPP will describe the consumer's goal for the internship. [WIC 4869(a)(1-6)]
5. Regional centers shall make information available to service providers wishing to participate in the paid internship program.
  - The suffix "PIP" will be added to existing service codes as a sub-code (e.g., 952-PIP).
    - The Department will issue a technical bulletin regarding the use of this sub-code.
  - Regional centers shall approve addendums to service providers' program designs describing the services and supports created to assist consumers in achieving the person-centered goal of paid internships.
6. Internship funds may be available for consumers for a variety of models, including self-employment enterprises and apprenticeships, and other business opportunities that can lead to future paid employment. All businesses participating in the paid internship program must operate in compliance with California State laws.
7. There is no minimum or maximum hour requirement; however, there is a cap on funding as specified below.

### **C. FUNDING**

Regional centers will be reimbursed for internship payments through the regular claiming process. The employer of record, as detailed below, will be reimbursed by the regional center after verifying payment to the intern. The maximum funding for payment of an internship is \$10,400 per year, per consumer. [WIC 4870(a)(1)] Multiple paid internships may be possible, as determined through the IPP process.

The intern is paid by the employer of record, established in one of the following ways:

1. By employer (paid internship entity):
  - The employer is responsible for paying payroll and mandated employer costs.
  - The employer bills, and is reimbursed by, the service provider placing and supporting the individual in the paid internship.
  - The service provider bills the regional center.
2. By Financial Management Service (FMS):
  - The employer provides the FMS with an accounting of wages and associated mandated employer costs.
  - The FMS acts as the employer of record and is responsible for payroll and mandated employer costs.
  - The FMS bills, and is reimbursed by, the regional center.
3. By service provider:
  - The employer provides the service provider placing and supporting the individual in the internship with an accounting of wages and associated mandated employer costs.
  - The service provider pays the individual for wages and associated mandated employer costs as represented by the employer.
  - The service provider bills, and is reimbursed by, the regional center.

The Department may amend the above funding mechanisms based on experience gained through implementation of the internship program.

#### **D. DATA COLLECTION**

To ensure program accountability and achievement of program goals [WIC 4868© (3-6)], regional centers and service providers are required to report (in a format to be determined by the Department) to the Department by October 1, 2017, and each October 1 annually, the following:

1. Types of internship placements, including the setting and type of work performed;
2. Length of internships;
3. Demographic information of interns;
4. Payment amount of each intern placed, specified by wages and payroll costs, if any;

Regional Center Executive Directors  
July 28, 2016

5. Employment-related supports provided to the intern by any agency, service provider or individual;
6. Number of interns who subsequently entered paid employment, including salary, benefit information and employment start date;
7. Number of interns placed who might not have otherwise achieved placement without an internship program, including a description of what was successful; and,
8. Any additional information, as determined by the Department.

The Department will issue additional guidance to regional centers on data collection requirements in the future.
