

APPLICATION REPORT

Project Name: Strengthening Early Transition for Black and Latino Students with Developmental Disabilities

Applicant Organization: Heluna Health:FRCNC

Awarded Amount: \$186,487

Funding Announcement Name: Promoting Service Access and Equity Grant

PROJECT SUMMARY

The project will serve 8 different regional center catchment areas in the state of CA. These include Inland Regional Center, Westside Regional Center, Tri-Counties Regional Center, San Andreas Regional Center, Valley Mountain Regional Center, Far North Central Regional Center, and Regional Center of the East Bay. The corresponding Early State Family Resource Centers (in part funded by part C) include Rowell Family Resource and Empowerment Center, Family Resource Network, Special Kids Connect, CARE Parent Network, Family Resource Navigator, Alpha Resource Center, Early State Family Resource Center, Westside Family Resource & Empowerment Center.

APPLICANT QUESTION	
Applicant Eligibility	
Applicant Information	
1. Project Title	Applicant Response
What is the project Title?	Strengthening Early Transition for Black and Latino Students with Developmental Disabilities
2. Awarded Amount	Applicant Response
	\$186,487
3. Organization Type	Applicant Response
Please check the box that describes your organization	Community Based Organization (CBO), 501(c)(3)
4. Description of Organization/Group	Applicant Response
Provide a brief description of the organization/group (organization type, group mission, etc.). Explain what experience your organization has managing a program similar to the proposal and state the outcomes of that program.	<p>The Family Resource Centers Network of California (FRCNC), founded in 1993, is a statewide coalition of 45 Early Start Family Resource Centers (ESFRC) funded by the Department of Developmental Services. FRCNC offer services to families of children over the age of three with state or local funding such as Regional Center, Parent Training Centers, or First 5 funding.</p> <p>Member agencies are staffed by parents of children with special needs who provide culturally responsive, individualized services in a family-friendly atmosphere. FRCNC assist parents, family members, and professionals in understanding and navigating the complex system of services for children with disabilities.</p> <p>The mission of the FRCNC is to support families of children with disabilities, special healthcare needs, and those at risk by ensuring the continuance, expansion, promotion, and quality of numerous statewide boards and committees, providing family perspective on a broad range of issues, including collaboratives and statewide initiatives related to transition and cultural diversity.</p> <p>FRCNC has demonstrated its capacity to plan and implement statewide projects. These have included:</p> <ol style="list-style-type: none"> 1. FRCNC Early Start Contract - enhance the capacity of Early Start Family Resource Centers (ESFRC) by ensuring ESFRC statewide coordination, providing training and technical assistance 2. Department of Developmental Services - Prevention Resource and Referral Services (PRRS) - during the time of restrictions to eligibility during the CA "great recession" provided information and support to families 3. California Consumer Protection Foundation -Webinar Training and Videoconferencing grants. These grants increased the access of families of children with special health care needs to State Council on Developmental Disabilities - Partners in Policymaking California Collaborative (PIPCC). As part of the PIPCC, the FRCNC helped implement the project to train four counties 4. Marin County Office of Education - California Autism Professional Training and Information Network (CAPTAIN) Family Support Content Lead. Expertise in family support provided to educators 5. Administration on Developmental Disabilities - Family Support Planning and Family Support Initiative Implementation grants for a statewide needs assessment and strategic planning 6. Administration on Developmental Disabilities - Family Support Planning and Family Support Initiative Implementation grants for a statewide needs assessment and strategic planning
5. Applicant in Good Standing	Applicant Response
Is the applicant in good standing with the California Secretary of State, California Franchise Tax Board, and California Department of Tax and Fee Administration?	Yes
6. Subcontractors in Good Standing	Applicant Response
Are the applicant's subcontractors in good standing with the California Secretary of State, California Franchise Tax Board, and California Department of Tax and Fee Administration?	Yes
Grant Reapplication Information	
Grant Reapplications Only	
1. Grant Number	Applicant Response
(Reapplications Only) What is the Grant Number of previously awarded project? If not applicable select Not Applicable.	Not Applicable
2. Project Title	Applicant Response

APPLICANT QU ESTION	
(Reapplications Only) What is the object Title of previously awarded project? If not applicable select Not Applicable.	Not Applicable
3. Project Start & End Dates	Applicant Response
(Reapplications Only) What are the Start & End Dates of the previously awarded project? If not applicable select Not Applicable.	Not Applicable
4. Project Duration	Applicant Response
(Reapplications Only) What is the Total object Duration (in months) of the previously awarded project? If not applicable select Not Applicable.	Not Applicable
5. 2016/2017 Award	Applicant Response
(Reapplications Only) Enter the amount of funding that was awarded in FY 2016/2017. If not applicable select Not Applicable.	Not Applicable
6. 2016/2017 Expenses	Applicant Response
(Reapplicants only) Enter the amount of funding that was expended in FY 2016/2017. If not applicable select Not Applicable.	Not Applicable
7. 2016/2017 Remaining	Applicant Response
(Reapplicants only) Subtract the Total Expenses from the Total Award to determine the amount remaining from FY 2016/2017. If not applicable select Not Applicable.	Not Applicable
8. 2017/2018 Award	Applicant Response
(Reapplicants only) Enter the amount of funding that was awarded in FY 2017/2018. If not applicable select Not Applicable.	Not Applicable
9. 2017/2018 Expenses	Applicant Response
(Reapplicants) Enter the amount of funding that was expended in FY 2017/2018. If not applicable select Not Applicable.	Not Applicable
10. 2017/2018 Remaining	Applicant Response
(Reapplicants only) Subtract the Total Expenses from the Total Award to determine the amount remaining from FY 2017/2018. If not applicable select Not Applicable.	Not Applicable
11. 2018/2019 Award	Applicant Response

APPLICANT QU ESTION	
(Reapplicants only) Enter the amount of funding that was awarded in FY 2018/2019. If not applicable select Not Applicable.	Not Applicable
12. 2018/2019 Expenses	Applicant Response
(Reapplicants only) Enter the total amount of funding that was expended, or is anticipated to be expended, in FY 2018/2019. If not applicable select Not Applicable.	Not Applicable
13. 2018/2019 Remaining	Applicant Response
(Reapplicants only) Subtract the Total Expenses from the Total Award to determine the amount remaining from FY 2018/2019. If not applicable select Not Applicable.	Not Applicable
14. 2019/2020 Award	Applicant Response
(Reapplicants only) Enter the amount of funding that was awarded in FY 2019/2020. If not applicable select Not Applicable.	Not Applicable
15. 2019/2020 Expenses	Applicant Response
(Reapplicants only) Enter the total amount of funding that was expended, or is anticipated to be expended, in FY 2019/2020. If not applicable select Not Applicable.	Not Applicable
16. 2019/2020 Remaining	Applicant Response
(Reapplicants only) Subtract the Total Expenses from the Total Award to determine the amount remaining from FY 2019/2020. If not applicable select Not Applicable.	Not Applicable
17. Total Awarded	Applicant Response
(Reapplicants only) Combine the amounts included in FY 2016/2017, FY 2017/2018, FY 2018/2019, and FY 2019/2020 for the total amount awarded for the project. If not applicable select Not Applicable.	Not Applicable
18. Initial Proposed Number of People Served	Applicant Response
(Reapplications Only) Include the initial number of people projected to be served. If not applicable select Not Applicable.	Not Applicable
19. Actual Number of People Served	Applicant Response

APPLICANT QUESTION	
(Reapplications Only) Include the actual number of people served. Explain why this number is different from the projected impact number. If not applicable select Not Applicable.	Not Applicable
20. Regional Centers in Catchment Area	Applicant Response
(Reapplications Only) List all Regional Centers in the project catchment areas that the project has served. If not applicable select Not Applicable.	Not Applicable
21. Cities Served	Applicant Response
(Reapplications Only) List the cities you project has served. If not applicable select Not Applicable.	Not Applicable
22. Counties Served	Applicant Response
(Reapplications Only) List the counties you project has served. If not applicable select Not Applicable.	Not Applicable
23. City of Los Angeles	Applicant Response
(Reapplications Only) If you project has served the City of Los Angeles, list the zip code(s) and/or community(ies) your project has served. If not applicable select Not Applicable.	Not Applicable
24. Activities to Date	Applicant Response
(Reapplications Only) Provide a detailed explanation of project activities to date. Include what the project has accomplished to date. From the start of the project to the date of reapplication, what are the key accomplishments? Have all activities been completed? If no, why not? If not applicable select Not Applicable.	Not Applicable
25. Project Impact & Outcome	Applicant Response
(Reapplications Only) Provide a detailed explanation of project impacts and outcomes to date. Attach data (summary of pre-tests and post-tests), participant success stories to demonstrate project outcomes and impacts. Provide outcomes of your project's impact in serving the target communities. Using your attached data, provide a brief statement of key findings. If not applicable select Not Applicable.	Not Applicable
26. Project Objectives	Applicant Response

APPLICANT QUESTION	
(Reapplications Only) What are the project objectives in addressing disparities and what remains to be addressed/completed? Explain why these objectives have not been completed during the current grant period. Provide a brief description of the key lessons learned from your current project, if any. What were some of the challenges that prevented you from meeting your objectives/measures? What are some strategies your organization plans to implement to address challenges, if any? If not applicable select Not Applicable.	Not Applicable
27. Project Transition (Reapplications Only) If awarded, how will you current project transition into the 2020/21 proposed project? How does your proposed project complement your current project? Does your proposed project expand or continue your current project, if so how? What activities, measures, or target groups are being added? Provide a summary of the differences and reasons why you are proposing the change. If not applicable, select Not Applicable.	Applicant Response Not Applicable
General Application	
Proposal Summary	
1. Individuals Impacted Enter the projected number of individuals impacted.	Applicant Response 3000
2. People Served What is proposed number of people projected to be served?	Applicant Response 750
3. Duration of project What is the duration of the project? Enter Start & End Dates.	Applicant Response Start Date: 02/28/2021, End Date: 06/29/2022
4. Duration of project (months) What is the total duration of project in months?	Applicant Response 16
5. Regional Centers List all Regional Centers in the project catchment areas.	Applicant Response Inland Regional Center Westside Regional Center Tulare County Regional Center San Andreas Regional Center Valley Mountain Regional Center Far Northern Regional Center Regional Center of the East Bay
6. Cities Served	Applicant Response

If you project p oposes to se ve the City of Los Angeles, list the zip codes and/o communities you project will se ve.	Westside Regional Center - Beve ly Hills - 90210,90211,90212 Culve City - 90230 El Segundo - 90245 Gardena - 90247,09248,90249 Hawthorne - 90250 Inglewood - 90301, 90302, 90303, 90304, 90305 Lawndale - 90260 Lennox - 9030
9. Community Based rganizations	Applicant Response
Will you be wo king with one o mo e Community Based O ganization?	Yes
10. Regional Center Data	Applicant Response
If you plan to use egional cente data fo you p oject, indicate what steps you will take (o al eady have taken) to ac ui e it. Fo example, completing a data agreement, completing a data e uest, meeting with RC to discuss data availability/timelines, etc.	We will not be e uesting data from the egional cente s fo this p oject.
11. First Project Type Selection	Applicant Response
Select you fi st p oject type.	Wo kfo ce Capacity and Development (staff training, etc)
12. Second Project Type Selection	Applicant Response
Select you second p oject type (if applicable).	Engagement and Out each (community events, etc)
13. Third Project Type Selection	Applicant Response
Select you thi d p oject type (if applicable).	Not Applicable
14. Multiple rganizations	Applicant Response

APPLICANT QUESTION	
Does your project include partnership with one or more organizations either as a co-applicant or subcontractor? If "yes", please upload a letter of support from each organization, that includes an explanation of their role in the partnership.	Yes
15. Leverage & Strategies	Applicant Response
Describe how your organization will leverage and build upon strategies, collaborations, and lessons learned to continue to address the identified disparities after completion of the project. How will you project continue its work after the grant funding has concluded?	Current increased awareness of systemic social, economic and institutional bias against Blacks and Latinos has provided the opportunity for the FRCNCA to engage our members. Service providers and parent leaders/organizations. Increased awareness of the potential of ESFRCS for professional development of early childhood and primary education staff information exchange regarding the availability of services during elementary school where Black and Latino regional center consumers are overrepresented in Special Education.
Target Population	
1. Target Groups Served	Applicant Response
Select all groups the project will serve. If you select "Pacific Islander" or "Other" use comment section to list all groups.	African American, Hispanic
Applicant Comment	While we will not be serving students and families directly, we hope to impact the population through professional development training of service providers, regional center staff.
2. Number of Target Group Served	Applicant Response
For each target group selected in previous question, list number served.	African American 0 Hispanic 0
3. Languages	Applicant Response
Select all Languages the project will serve. If you select "Other" please list all languages.	Spanish, Other (list)
Applicant Comment	Other: ESL
4. Age Groups Served	Applicant Response
Select all Age Groups the project will serve. If you select "Other" please list groups.	22 and older
Applicant Comment	
Project Application	
Project Application	
1. Project Summary	Applicant Response
Provide a clear and concise project summary that includes a defined target population, catchment area, and project design. Specifically describe what your project will accomplish and how it will benefit the community served.	<p>The FRCNCA proposes to develop 8-10 regional (online) workforce capacity building convenings/trainings to impact the use of POS among African American/Black and Hispanic families of these young children. These providers, those receiving the proposed training, are involved in providing for a smooth transition from Early State services to educational access to information that will impact their use of available services and their child's developmental trajectory.</p> <p>The project will serve 8 different regional center catchment areas in the state of CA. These include Inland Regional Center, Westside Regional Center, Ti-Counties Regional Center, San Andrea Navigato, Alpha Resource Center, Early State Family Resource Center, Westside Family Resource & Empowerment Center.</p> <p>The FRCNCA will convene a "successful transitions" working group focused on using the Leading by Convening Blueprint for Authentic Engagement to identify and agree on regional the planning phase. Lastly, a toolbox of resources will be made available to participants and local support agencies and families that will ensure understanding of services and support.</p> <p>We need a response to address systemic barriers to access to needed Lante man supports and to produce family friendly seamless transitions where families and professionals by professionals working to support families.</p>
2. Organization Experience	Applicant Response

APPLICANT QU ESTION	
<p>What experience does the organization/group have working with the target population?</p>	<p>The FCNCA is a statewide organization with members providing parent to parent support, information and training to professionals and parents in all 58 counties in CA. The staff systems. We are the only organized Family Resource Center network in the state and have been in existence for 30 years.</p> <p>Eleven Family Resource Centers in our network are also Family Empowerment Centers and work regularly with their SEL As on supporting families. However, this is not true for</p> <p>Following a current efforts show experience, success and will leverage this project</p> <p>Main County Office of Education - California Autism Professional Training and Information Network (CA TAIN) Family Support Content Lead. Experience in family support provide</p> <p>FRCs have collaborated with the Desired Results Access project and other statewide stakeholder groups regarding transition and supports to school aged children.</p>
<p>3. Underserved Target Populations</p> <p>Explain how the target population(s) are underserved using RC OS data or other data as supporting evidence of the disparity.</p>	<p>Applicant Response</p> <p>The DDS 2019 Fact Book describes 57,500 children between age 3 and 9 who are served by the state regional centers. The same Fact Book indicates that the general population center general population (all ages). Kidsdata.org data collected shows close to 340,000 special education students in the various counties and catchment areas. While Hispanic genetic agencies as well as how we do the work together using family support principles.</p>
<p>4. Input from Community</p> <p>How did you organization use input from the community and/or target population to design the project? What methods did you organization use to allow the community to advise you in designing the project? Were there any changes to your project design as a result of community input?</p>	<p>Applicant Response</p> <p>This project goal and design is a result of the FRCNCA's member agencies involvement in community/stakeholder meetings and committees such as the at C to at B work up, internal community services manager, regional center Director to gauge their agreement with the need for and advice regarding the design. Changes to the initial design include 1) increased local</p>
<p>5. Improve Access</p> <p>How will you project improve equity, access and reduce barriers to services for individuals with intellectual and developmental disabilities and their families and is sustainable?</p>	<p>Applicant Response</p> <p>CADDs over a changing measures to reduce disparities posits that disparities that begin among youth may compound as consumers age. Black and Latino toddlers and primary school student education system, to improve their developmental outcomes. First, in the CADD system, for every dollar spent on a white child (3-21 years of age) in the system, a non-white child of the same services, they receive disproportionate levels of services available to them specifically related to services like Adaptive Skills Training, Respite and Personal Assistance Services. These are services. The most recent progress report and stakeholder recommendations from the workgroup include increased training and professional development between art C, Lante man and may be a cultural response for both these communities that cultural awareness by professional staff can improve the team response. Failure to collaborate and understand the family perspective propose to disrupt this cycle with professional development training and conversations among the places and professions where these young children and their families are receiving services</p>
<p>6. Support RC's Recommendations</p> <p>How does this project support the RC recommendations and plan to promote equity and reduce disparities in their catchment area? If you are a RC, how does this project support your recommendations and plan to promote equity and reduce your identified disparities? How will you project collaborate with other organizations that serve individuals with intellectual and developmental disabilities and their families?</p>	<p>Applicant Response</p> <p>Each FRC reached out to their respective regional center to discuss the project and received letters of support for this effort to benefit individuals living in their catchment areas. FR receive a smooth transition and access to appropriate services. More knowledge by the post-Early State professional community is needed to create an environment where families</p>
<p>7. Project different or unique</p> <p>How is the proposed project unique or different from a currently funded grant (e.g., strategies, activities, and goals) in the proposed regional center catchment area? If the project is similar to a currently funded grant listed on the Department's website, how is the proposed project different?</p>	<p>Applicant Response</p> <p>This statewide project is unique and different from most currently funded grants. The FRCNCA is one of the few organizations that have a statewide presence in Family Support for American students, will benefit from this convening / training to discuss the importance of understanding the supports that are available.</p>

APPLICANT QUESTION	
8. Activities & Measures to Achieve Goal Clearly and specifically state how the schedule of activities and measures demonstrate the operational details and steps that the project will take to achieve its stated goals, activities, and measures. Note: Before answering this question, applicant may want to complete the Activities Template located in the tab directly above.	Applicant Response The schedule of activities demonstrate the operations details and steps necessary for the goal to increase workforce capacity to support Black and Latino families of school aged Activities will include: 1. convening a working group to plan regional meetings 2. conduct 8-10 regional convenings/trainings focused on cultural considerations and services 3. Create tools to assist workforce and present/distribute at regional trainings Performance Measures will include: 1. Training and implementation plan from a Leading by Convening process 2. Implement and analyze pre/post surveys for trainees at convenings 3. Use social media analytics and website data to track engagement of tools
9. Measures Are you proposed measures appropriate to track project goals and activities, provide insight into the effectiveness of the overall design of the project and demonstrate how the impact on the community will be evaluated?	Applicant Response The effective measures used currently for the population. Therefore, measures will be developed through stakeholder meetings and key informant interviews. These pre and post
10. Budget Narrative Note: Before uploading your Budget Narrative, applicants should complete the Budget Template located in the tab directly above. After you complete the Budget Template, please return to this question to upload your Budget Narrative. The project budget is consistent with stated projected goals and activities, and clearly and concisely explains how the proposed expenditures support the overall project design. The project budget costs are clearly associated with the project activities and goals. The project budget does not include non-allowable costs. The overall project budget is appropriate to the outcomes proposed. Please attach your Budget Narrative document. An example of a Budget Narrative can be found in Attachment C.	Applicant Response
Proposal Certification	
Certification	
1. Applicant & Regional Center Discussion If you are a CBO, have you discussed your proposal with the RC(s)?	Applicant Response Yes
2. Applicant Certification	Applicant Response

APPLICANT QU STION	
By submitting this application, the Applicant is ce tifying the t uth and accu acy of the p oposal. The applicant also ce tifies that if you have subcont acting organizations, each participating organization has eviuewed you p oject and agrees to thei assigned activities, measures, and the budget. (Select Yes o No and ente you name in the comment box.)	Yes
