Note: Paid Internship Program (PIP) data may include consumers and POS that are not related to PIP. DDS is unable to determine whether all claims are related to PIP due to variations in regional centers' use of sub-codes. For example, some regional centers used sub-codes such as PIPA, PIPR, PIPS, PIP01, PIP02, PIP13, etc., for claims under day program and employment service codes.

¹ FY 21/22 POS expenditures through August 2021. Due to billing lag, this information may not capture all POS for this period. Additionally, service provider placement incentive payments are not included.

² "Total Unique Consumers for all Fiscal Years" shows the unduplicated consumer counts throughout all fiscal years.

* In accordance with DDS Data De-Identification Guidelines, counts under 11 have been suppressed to protect privacy.
