## DDS Vision:

People with intellectual and developmental disabilities experience respect for their culture and language preferences, their choices, beliefs, values, needs, and goals, from a person-centered service system made up of a network of community agencies that provide high quality, outcome-based and equitable services.

# PRIORITIES & INITIATIVES

- Service Access & Equity
- Participant Directed Services
- Early Intervention
- Deaf Services
- Aging Services
- Community Placement Plan
- Affordable Housing
- Employment

## QUESTION #1

What development priorities move towards our vision?

## QUESTION #2

What areas of development could be redirected to enhance services & supports?

## QUESTION #3

How can we expand  
our network of  
community agencies?

## Wrap Up and Final Comments
