Update on Activities Since June Workgroup Meeting

- **DDS convened multiple small group meetings with service providers** to further refine measures in targeted areas, including in employment
- **DDS finalized the Phase 1 measures** with a focus on:
 - Incorporating stakeholder feedback on measure and incentive structures, when possible
 - Ensuring that measures satisfy the development criteria outlined at the start of the process (e.g., reliable, useful, feasible)
 - Documenting areas of opportunity for future phases of quality measurement as DDS and providers gain more experience and infrastructure further develops.
- **DDS released the final Phase 1 measures** to the stakeholder community
 - ↳ Focus of today's discussion

Update on Person-Centered Advocacy, Vision and Education (PAVE) Initiative

DDS is negotiating a scope of work with the California Community Living Network (Contractor) to create a system to measure service outcomes.

- System will be designed to measure priority Quality Incentive Program outcomes (see callout box).
- The system will include a data collection platform and staff training curriculum.
- For the first six months and regularly throughout the contract, CCLN will engage a stakeholder group to:
 - Support planning efforts;
 - Provide input and advisement on draft measures;
 - Identify service lines; and,
 - Review progress.

PAVE Measure Focus Areas

Individuals and families are supported by staff who communicate in their preferred language

Individuals are satisfied with the continuity of their staff

The needs of individuals and families are met by their DSP

Individuals make everyday choices (e.g., who I spend time with)

Individuals make choices about their life decisions (e.g., where I live)

Individuals and families are satisfied with their services and support

Near-Term Next Steps for Measure Implementation

- **August:** Issue DDS directives for Phase 1 measures that address:
 - Data collection processes (e.g., frequency, format, submission process)
 - Measure calculation methodologies
 - Incentive amounts and performance targets, where applicable
- **September-October:** Facilitate training and education for providers on implementing the measures
