TO: REGIONAL CENTER EXECUTIVE DIRECTORS

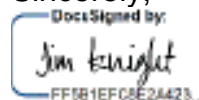

SUBJECT: COMMUNITY CARE FACILITY RATES EFFECTIVE JULY 1, 2022

The Budget Act of 2022 includes a change to how the purchase of service (POS) component of the overall rate paid to Community Care Facility (CCF) providers with rates based on the Alternative Rate Model is computed. Effective July 1, 2022 the POS component of the overall rate will be maintained when the Supplemental Security Income/State Supplementary Payment (SSI/SSP) amount increases.

As a result of this change, effective July 1, 2022, the Department of Developmental Services has updated the CCF rate schedules by regional center in the amount of \$132.40 (equal to the SSI/SSP increase that occurred on January 1, 2022). The updated CCF schedules can be found at the following link: <https://www.dds.ca.gov/rc/vendor-provider/rate-study-implementation/rates-by-regional-center/> Regional centers must notify affected providers of this change, update their rate tables and process retroactive rate increases accordingly.

If you have questions regarding the rate schedules, please email [ratesquestions@dds.ca.gov](mailto:ratesquestions@dds.ca.gov).

Sincerely,
