WHAT IS COORDINATED FAMILY SUPPORTS (CFS) SERVICE?

CFS is:

- tailored to the unique needs of the consumer and their family
- provided in a manner that respects their language and culture
- primarily provided in a person's home and community

CFS shall not replace or duplicate any natural support, generic service, or any other regional center funded service

At minimum, the need for CFS shall be assessed annually, with progress being reported quarterly

WHAT IS CFS SERVICE? (Cont'd)

CFS may include, but is not limited to:

1. Providing supports necessary to successfully reside in the family home
2. Providing assistance & training to consumers & their families in navigating comprehensive services and supports tailored to meet their unique needs
 - a) Including creating pathways to overcoming barriers to accessing generic & other resources
3. Providing additional information on the consumer's diagnosis & identified supports
4. Coordinating consistency in training across providers specific the consumer & family's needs
5. Assisting with scheduling of service delivery (including medical and other appointments)
6. Identifying transportation
7. Identifying backup providers to be available
8. Providing futures planning for consumers living with aging caregivers
9. Providing training to consumers to maximize independence

WHAT IS CFS SERVICE? (Cont'd)

- Minimum qualifications for CFS direct care staff include speaking the primary language of the consumer and their family and knowledge of the regional center system
- Within the first 30 days of working with a consumer and their family, CFS providers shall provide training to their direct care staff on service delivery systems including, but not limited to, behavioral health services and local Area Agencies on Aging
- CFS may not be provided by an individual who resides in the same home as the consumer

WHERE IS CFS AVAILABLE?

CFS is available in
all 21 regional centers

WHO CAN GET CFS SERVICE?

CFS is for adults
(18+ years old) who:

Choose to live in
their family
home

Are served by
a Regional
Center

WHEN WILL CFS BE AVAILABLE?

Fall of 2022

- DDS will issue guidance to the 21 Regional Centers

Beginning of 2023

- CFS pilot begins

HOW DO I GET CFS?

If you live at home with your family & think you need CFS:

- Let your Regional Center Service Coordinator know you are interested in the CFS service

If you know a person or organization that might be interested in becoming a CFS provider:

- Ask them to reach out to the Resource Developer at your local Regional Center
