TO: REGIONAL CENTER EXECUTIVE DIRECTORS

SUBJECT: QUALITY INCENTIVE PROGRAM – SERVICE ACCESS AND
WORKFORCE CAPACITY, SECOND PHASE PROVIDER LIST

The Department of Developmental Services' (Department) [September 30, 2022 correspondence](#) described the Direct Support Professional (DSP) Workforce Data Collection incentive payment that supports the Workforce Capacity and part of the Service Access focus areas within the Quality Incentive Program (QIP). Included with the correspondence was a list of eligible providers that should receive the incentive payment based upon validated survey submissions. Enclosed is the second list of providers to be paid for their participation in the DSP Workforce Data Collection effort.

While the Department has verified and validated survey data of over 2,000 providers that participated in the DSP Workforce Data Collection effort, there are a number of providers whose incentive payments have not yet been validated due to the following issues:

- Surveys submitted were incomplete.
- Vendor information (vendor ID, tax ID, organization name, etc.) was incorrect.
- Surveys were entered into the online survey portal but were not submitted.
- Payment information is incomplete.

The first round of funded incentives included 1,492 providers, the second round of funded incentives included 423 providers, and approximately 191 remain to be reconciled. The Department anticipates providing regional centers with the third and final round of funded incentive payments by January 4, 2023.

For questions related to the DSP Workforce Data Collection (survey) effort, please contact dspworkforce@dds.ca.gov. For questions related to QIP, please contact qipquestions@dds.ca.gov.

Sincerely,
