

FINAL STATEMENT OF REASONS

Description of the Public Problem, Administrative Requirement or Other Condition or Circumstance the Regulations are Intended to Address

The Department of Developmental Services (DDS) proposes to amend Title 17, California Code of Regulations, section 54319, by adding Associate Behavior Analyst to the list of Group Practices.

Effective May 29, 2004, DDS amended Title 17, California Code of Regulations, section 54342, by adding a service for Associate Behavior Analyst, so that regional centers could begin using the services of associate behavior analysts. After this amendment became effective, DDS realized the category of Associate Behavior Analyst should also have been added to 54319, to clarify that the services of an Associate Behavior Analyst could apply to both individuals and group practices. When amending section 54319 (effective May 29, 2004), DDS consulted with or received input from behavioral providers, regional centers, behavior analyst vendors, the national Behavior Analysts Certification Board and the California Association for Behavior Analysis, all of whom are aware that these types of services apply to both individuals and group practices.
