REGIONAL CENTER

*Spring 2023*

## Performance Report for Frank D. Lanterman Regional Center

Every year, the Department of Developmental Services (DDS) contracts with regional centers in California to serve consumers and families. And, every year DDS looks at how well the regional centers are doing. This report will give you information about your regional center.

Last year, at Frank D. Lanterman Regional Center (FDLRC) we served about 11,910 consumers. The charts on page two tell you about the consumers we serve. You'll also see how well we are doing in meeting our goals and in fulfilling our contract with DDS.

At FDLRC, we want to improve every year, do better than the state average, and meet or exceed the DDS standard. As you can see in this report, we did well in most areas. The Covid-19 State of Emergency (SOE) continued to challenge the Lanterman Community however with technology we were able to continue to support our families. In 2022 we continued to support and coordinate trainings to 15 support groups as well as 45 educational presentations to over 3,900 individuals. The Koch-Young Resource Center responded to over 1700 Information and Referrals requests and presented our Service Coordination and Advocacy Training to 132 people in English, Spanish and Korean.

We grew by more than 800 individuals served since last year and we have added four additional service coordination teams to meet this growth. The Center has 164 service coordinators of which 11 (7%) are monolingual English, 140 (85%) are bilingual and 12 (8%) are multilingual. Overall, service coordinators speak 10 different languages.

We hope this report helps you learn more about FDLRC. If you have any questions or comments, please contact us! This report is a summary.
