TO: REGIONAL CENTER EXECUTIVE DIRECTORS

SUBJECT: SUB-CODE FOR SOCIAL RECREATION ACTIVITIES

The purpose of this correspondence is to inform regional centers of a new sub-code for social recreation activities. On October 7, 2021, per amendments to Welfare and Institutions (W&I) Code §4648.5, the Department of Developmental Services (Department) sent correspondence to regional centers regarding restoration of regional centers' authority to fund certain services, including social recreation activities. The correspondence required regional centers to develop outreach plans to inform their community of the changes to W&I Code §4648.5 and to revise purchase of service policies associated with the restored services, as necessary.

The new sub-code for social recreation activities is "SRA". This sub-code should be used for billing and claiming associated with social recreation activities. Please ensure consistent use of the sub-code. This will allow regional centers and the Department to monitor expenditures for social recreation activities.

If you have questions related to the use of the new sub-code, please contact your Primary Regional Center Liaison, or the Office of Community Operations at (916) 654-1690.

Sincerely,
