YOUR CHOICES

If you agree with the proposed decision in your Notice of Action (NOA) then you do not need to do anything.

If you do not agree with the proposed decision in this NOA, you have the right to file an appeal. An appeal is a way to resolve a disagreement with your regional center. Appeal requests are sent to the Department of Developmental Services (DDS).

HOW TO APPEAL

- You may submit the appeal request form electronically at the DDS website: <u>https://bit.ly/DDSAppealForm</u>
- You may send the attached form by email to <u>AppealRequest@dds.ca.gov</u>
- You may send the attached form by mail to 1215 O Street MS 8-20, Sacramento, CA 95814
- You may send the attached form by fax to 916-654-3641

You must file your appeal request on time. There are two deadlines.

- The first deadline is for when you want to keep your current services the same during your appeal:
 - Your request must be postmarked or received by DDS no later than 30 days from when you got your NOA and before the action takes place.
 - Keeping your current services during an appeal is called "aid paid pending".
- The second deadline is for all other appeal requests. If your appeal request is filed 31 to 60 days from when you got your NOA, the regional center's decision will happen while your appeal continues. Appeal Requests must be postmarked or received by DDS no later than 60 days after the date you received this NOA.
