Rebecca Nanyonjo, Executive Director
Regional Center of the East Bay
500 Davis Street, Suite 100
San Leandro, CA 94577

Dear Rebecca Nanyonjo:

This letter is to convey the results of the Department of Developmental Services' (DDS) review of the Early Start Program at Regional Center of the East Bay (RCEB). This review was conducted through DDS' Self-Assessment Monitoring (SAM) system on April 4, 2025, through May 21, 2025, to ensure that California meets Part C of the Individuals with Disabilities Education Act (IDEA) requirements.

RCEB completed a self-assessment of 80 records through SAM. This consisted of 40 regular records and 40 transition records. DDS verified the documentation and the findings for each of the 80 records. DDS identified findings of noncompliance in the following areas:

- Individualized Family Service Plan (IFSP) must be completed within 45 days from the date of referral,
- Timely provision of services,
- Early intervention services must be provided in the natural environment, and
- Written parental consent must be obtained prior to the provision of early intervention services.

The details of the findings are in the enclosed monitoring report.

Required Action:

The U.S. Department of Education's Office of Special Education Programs (OSEP) requires the state lead agency, DDS, to verify correction of noncompliance based on the individual child level (prong 1) and the systemic level (prong 2) as soon as possible, and no later than one year from the date of this letter. A plan, signed by you, addressing the systemic level (prong 2) areas of noncompliance is required to be submitted to DDS within 30 days of the date of this letter.

As part of the plan of correction, RCEB should identify and address the root cause of noncompliance on each outstanding finding. Identifying the root cause ensures that

corrective actions are meaningful and effective. Please forward the required evidence of clearance on each of the outstanding individual findings (prong 1) as soon as it is available (if applicable). DDS will require RCEB to provide subsequent records to clear the systemic level findings. In addition, please see recommendations listed on page 7 of the monitoring report.

Thank you for your cooperation during the monitoring review of the Early Start program at RCEB and your commitment to serve children and families. If you have any questions, please contact Reyna Ambriz, Early Start Branch Manager, at (916) 651-0364, or by email at Reyna.Ambriz@dds.ca.gov.

Sincerely,
