EXECUTIVE SUMMARY

The Department of Developmental Services (DDS) and the Department of Health Care Services (DHCS) conducted the federal compliance monitoring review of the Home and Community-Based Services (HCBS) 1915(i) State Plan Amendment (SPA) program from February 22–March 4, 2022, at Tri-Counties Regional Center (TCRC). The monitoring team members were Fam Chao (Team Leader), Nora Muir, Kelly Sandoval, Hope Beale, Nadia Flores, and Bonnie Simmons from DDS, and Deeanna Tran and Janie Hironaka from DHCS

Purpose of the Review

DDS contracts with 21 private, non-profit corporations to operate regional centers, which are responsible under state law for coordinating, providing, arranging or purchasing the services needed for eligible individuals with developmental disabilities in California. All HCBS 1915(i) SPA services are provided through this system. It is the responsibility of DDS to ensure, with the oversight of DHCS, that the HCBS 1915(i) SPA is implemented by regional centers in accordance with Medicaid statute and regulations.

Overview of the HCBS 1915(i) SPA Programmatic Compliance Monitoring Protocol

The compliance monitoring review protocol is comprised of sections/components designed to determine if the consumers' needs and program requirements are being met and that services are being provided in accordance with the consumers' individual program plans (IPP). Specific criteria have been developed for the review sections listed below that are derived from federal/state statutes and regulations and from the Centers for Medicare & Medicaid Services' directives and guidelines relating to the provision of HCBS 1915(i) SPA services.

Scope of Review

The monitoring team conducted a record review of a sample of 13 HCBS 1915(i) SPA consumers. In addition, a supplemental sample of consumer records was reviewed for five consumers who had special incidents reported to DDS during the review period of November 1, 2020 through October 31, 2021.

Overall Conclusion

TCRC is in substantial compliance with the federal requirements for the HCBS 1915(i) SPA program. Specific recommendations that require follow-up actions by TCRC are included in the report findings. DDS is requesting documentation of follow-up actions taken by TCRC in response to each of the specific recommendations within 30 days following receipt of this report.

Major Findings

<u>Section I – Regional Center Consumer Record Review</u>

Thirteen sample consumer records were reviewed for 24 documentation requirements (criteria) derived from federal and state statutes and regulations and HCBS 1915(i) SPA requirements. Seven criteria were rated as not applicable for this review.

The sample records were 98 percent in overall compliance for this review. TCRC's records were 99 percent in overall compliance for the collaborative reviews conducted in 2020 and 2018.

Section II - Special Incident Reporting

The monitoring team reviewed the records of the thirteen 1915(i) SPA consumers and 5 supplemental sample consumers for special incidents during the review period. TCRC reported all special incidents timely for the sample selected for the HCBS 1915(i) SPA review. For the supplemental sample, the service providers reported all of the five incidents to TCRC within the required timeframes, and TCRC subsequently transmitted all five special incidents to DDS within the required timeframes. TCRC's follow-up activities on consumer incidents were timely and appropriate for the severity of the situation.

SECTION I

REGIONAL CENTER CONSUMER RECORD REVIEW

I. Purpose

The review is based upon documentation criteria derived from federal/state statutes and regulations and from the Centers for Medicare & Medicaid Services' directives and guidelines relating to the provision of Home and Community-Based Services (HCBS) 1915(i) State Plan Amendment (SPA) services. The criteria address requirements for eligibility, consumer choice, notification of proposed action and fair hearing rights, individual program plans and periodic reviews and reevaluations of services. The information obtained about the consumers' needs and services is tracked as a part of the onsite program reviews.

II. Scope of Review

- 1. Thirteen HCBS 1915(i) SPA consumer records were selected for the review sample.
- 2. The review period covered activity from November 1, 2020 to October 31, 2021.

III. Results of Review

The sample consumer records were reviewed for 24 documentation requirements derived from federal and state statutes and regulations and HCBS 1915(i) SPA requirements. Seven criteria were not applicable for this review.

- ✓ The sample records were 100 percent in compliance for 14 applicable criteria. There are no recommendations for these criteria.
- ✓ Findings for three criteria are detailed below.
- ✓ A summary of the results of the review is shown in the table at the end of this section.

- IV. Findings and Recommendations
- 1.7.a The IPP includes a schedule of the type and amount of all services and supports purchased by the regional center. [W&I Code §4646.5(a)(5)]

Finding

Twelve of the thirteen (92 percent) sample consumer records contained IPPs that include all services and supports purchased by the regional center. However, the IPP for consumer #2 did not include Adult Development Center supports purchased by the regional center. During the monitoring review, TCRC provided an addendum dated September 1, 2020, addressing the above purchase. Accordingly, no recommendation is required.

1.9.a Quarterly face-to-face meetings are completed for consumers living in community out-of-home settings, i.e., Service Level 2, 3 or 4 CCFs, family home agencies or supported living and independent living settings. (Title 17, CCR, §56047; Title 17, CCR, §56095; Title 17, CCR, §58680; Contract requirement)

<u>Finding</u>

Three of the four (75 percent) applicable sample consumer records had quarterly face-to-face meetings completed and documented. However, the record for consumer #12 contained documentation of only three of the required meetings.

1.9.a Recommendation	Regional Center Plan/Response
TCRC should ensure that all future face-to-face meetings are completed and documented each quarter for consumer #12. In addition, TCRC should evaluate what actions may be necessary to ensure that all future face-to-face meetings are completed and documented each quarter for all applicable consumers.	TCRC will ensure that all future face- to-face meetings are completed and documented each quarter for individual #12. This will be done through monitoring of TCRC's Service Coordinator JeffNet dashboard. In addition, this is trained to at new Service Coordinator orientation and discussed at individual team meetings/trainings, as well as Services and Supports Manager meetings. In addition, Service and Supports managers will audit to this during annual recertification.

1.9.b Quarterly reports of progress are completed for consumers living in community out-of-home settings, i.e., Service Level 2, 3 or 4 CCFs, family home agencies or

supported living and independent living settings. (Title 17, CCR, §56047; Title 17, CCR, §56095; Title 17, CCR, §58680; Contract requirement)

Finding

Three of the four (75 percent) applicable sample consumer records had quarterly reports of progress completed for consumers living in community out-of-home settings. However, the record for consumer #12 contained documentation of only three of the required quarterly reports of progress.

1.9.b Recommendation	Regional Center Plan/Response
TCRC should ensure that future quarterly reports of progress are completed for consumer #12. In addition, TCRC should evaluate what actions may be necessary to ensure that all future quarterly reports are completed and documented each quarter for all applicable consumers.	TCRC will ensure that future quarterly reports of progress are completed for individual #12. This will be done through monitoring of TCRC's Service Coordinator JeffNet dashboard. In addition, this is trained to at new Service Coordinator orientation and discussed at individual team meetings/trainings, as well as Services and Supports Manager meetings. In addition, Service and Supports managers will audit to this during annual recertification.

SECTION II

SPECIAL INCIDENT REPORTING

I. Purpose

The review verifies that special incidents have been reported within the required timeframes, that documentation meets the requirements of Title 17, California Code of Regulations, and that the follow-up was complete.

II. Scope of Review

- 1. The records of the 13 consumers selected for the HCBS 1915(i) State Plan Amendment (SPA) sample were reviewed to determine that all required special incidents were reported to Department of Developmental Services (DDS) during the review period.
- A supplemental sample of five consumers who had special incidents reported to DDS within the review period was assessed for timeliness of reporting and documentation of follow-up activities. The follow-up activities were assessed for being timely, appropriate to the situation, resulting in an outcome that ensures the consumer is protected from adverse consequences, and that risks are either minimized or eliminated.

III. Results of Review

- 1. TCRC reported all of the special incidents in the sample of 13 records selected for the HCBS 1915(i) SPA review to DDS.
- 2. TCRC's vendors reported all five (100 percent) special incidents in the supplemental sample within the required timeframes.
- 3. TCRC reported all five (100 percent) incidents to DDS within the required timeframes.
- 4. TCRC's follow-up activities on consumer incidents were appropriate for the severity of the situations for the five incidents.
