Important notice from the Department of Developmental Services about:

UPDATED BILLING INSTRUCTIONS FOR BROKER SERVICES

D-2025-Rate Reform -011

What to Know

This directive provides information related to updated billing for transportation broker services (Service code 883). The directive specifies the rates that must be reimbursed for these services, from January 1, 2025 into the future.

What's Changing

There are no changes or requirements specific to individuals receiving services in this directive.

This directive lets transportation broker providers and regional centers know when rates for reimbursement change:

- Providers will be paid their original January 1, 2025, rate (Phase 3 rate) from January 1, 2025, to October 31, 2025.
- Providers will be paid according to the latest posted rate model starting on November 1, 2025.

Questions?

Transportation broker service providers with questions about this directive should contact their vendoring regional center.
