

November 18, 2025

Important notice from the Department of Developmental Services about:

PURCHASE OF SERVICE DATA MEETINGS, REPORTING AND WEBSITE POSTING REQUIREMENTS FOR FISCAL YEAR 2024-25

P-2025-Reporting Requirements-002

What to Know

California law says regional centers and the Department of Developmental Services (Department) must collect and share information. The information is about how regional centers spend money on services and supports.

Regional centers must have a public meeting to share the information on purchases. They must submit a report to the Department about the meeting.

This letter gives guidelines to the regional centers about purchase of service data for 2024-2025.

Questions?

Ask your service coordinator if you have questions.
