Patrick Ruppe, Executive Director
Harbor Regional Center
21231 Hawthorne Blvd.
Torrance, CA 90503

Dear Patrick Ruppe:

This letter is to convey the results of the Department of Developmental Services' (Department) review of the Early Start Program at Harbor Regional Center (HRC). This review was conducted through Department's Self-Assessment Monitoring (SAM) system August 22, 2025, through October 15, 2025, to ensure that California meets Part C of the Individuals with Disabilities Education Act (IDEA) requirements.

HRC completed a self-assessment of 80 records through SAM. This consisted of 40 regular records and 40 transition records. The Department verified the documentation and the findings for each of the 80 records. The Department identified finding of noncompliance in the following area:

- Early Intervention Services must be provided in the natural environment.

The details of the finding are in the enclosed monitoring report.

Required Action:

The U.S. Department of Education's Office of Special Education Programs (OSEP) requires the state lead agency, the Department, to verify correction of noncompliance based on the individual child level (prong 1) and the systemic level (prong 2) as soon as possible, and no later than one year from the date of this letter. A plan, signed by you, addressing the systemic level (prong 2) areas of noncompliance is required to be submitted to the Department within 30 days of the date of this letter.

As part of the plan of correction, HRC should identify and address the root cause of noncompliance on each outstanding finding. Identifying the root cause ensures that corrective actions are meaningful and effective. Please forward the required evidence of clearance on each of the outstanding individual findings (prong 1) as soon as it is available (if applicable). The Department will require HRC to provide subsequent records to clear the systemic level findings. In addition, please see recommendations listed on page 7 of the monitoring report.

Thank you for your cooperation during the monitoring review of the Early Start program at HRC and your commitment to serve children and families. If you have any questions, please contact Reyna Ambriz, Early Start Branch Manager, at (916) 651-0364, or by email at Reyna.Ambriz@dds.ca.gov.

Sincerely,
