Important notice from the Department of Developmental Services about:

TRACKING THE PROVISION OF REMOTE SERVICES

G-2026-Regional Centers Operations-001

What to Know

Individuals are allowed to choose the following services remotely until December 31, 2026:

- Day program
- Look-alike-day program
- Independent living
- Behavioral therapy services
- Clinical assessments for Lanterman Act eligibility

Early Start and Tailored Day Services can also be provided remotely.

What's Changing

The eBilling system now has a feature to track when services are provided remotely. Starting June 1, 2026, vendors who provide these services remotely must report how many days during the month they provided remote services to each person.

Questions?

Regional centers can contact their Community Operations Branch liaison at the Department for help.
