Important notice from the Department of Developmental Services about:

Updated Transportation Company (875) Rates

D-2026-Rates-005

What to Know

This directive updates the rates regional centers pay transportation companies that are in regions where higher insurance costs have been verified. Starting on August 1, 2026, these regional centers and vendors will use updated mileage rates for Transportation Companies (service code 875).

What's Changing

This directive does not change how individuals and families get services. Some transportation companies serving areas with higher insurance rates will receive higher rates for transporting individuals served by regional centers.

Questions?

Service providers with questions should contact their vendoring regional center.

Regional centers should email questions to ratesquestions@dds.ca.gov.
