

June 11, 2026

Important notice from the Department of Developmental Services about:

REGIONAL CENTER 2026 BOARD COMPOSITION SURVEY

D-2026-Reporting Requirements-004

What to Know

California law requires that regional centers give the Department of Developmental Services (Department) updated information about who serves on the regional centers' boards by August 15 of each year.

The Department checks this information to make sure the boards follow the rules stated in the law. If a board does not meet these rules, it must also send a plan explaining how it will fix the problem as soon as possible.

What's Changing?

This directive does not change how individuals and families receive services. This directive tells regional centers how to report who the people are that serve on their boards.

Questions?

Regional centers that have questions should email COB@dds.ca.gov. Individuals and families with questions about this directive should ask their service coordinator for more information.
