Important notice from the Department of Developmental Services about:

UPDATED COMPETITIVE INTEGRATED EMPLOYMENT INCENTIVE PERFORMANCE MEASURE RESULTS, FISCAL YEAR 2024-25

C-2026-Regional Center Performance Measures-003

What to Know

California law says that each year, the Department must check how well regional centers are doing. These checks are called performance measures.

What is Changing

This letter does not change how individuals and their families receive services. This letter shares new information about the competitive integrated employment (CIE) incentive. This incentive looks at how many people get jobs in the community.

In September 2026, the Department shared initial 2024-2025 CIE results with the regional centers. This updated Regional Center Report Card has the latest results.

Questions?

Regional centers should email their questions to RCMeasures@dds.ca.gov.
